**AGREEMENT BETWEEN
THE BOARD OF TRUSTEES
OF
HENRY FORD COLLEGE
AND
THE HENRY FORD COLLEGE ADMINISTRATORS' ASSOCIATION
LOCAL 71**

2022 — 2025

This agreement is made by and between the Board of Trustees of Henry Ford College and the Henry Ford College Administrators' Association.

ARTICLE I – ASSOCIATION-BOARD RELATIONS

A. RECOGNITION

The Board hereby recognizes the Association as the sole and exclusive collective bargaining representative for all College personnel employed by the Board as administrators, excluding the President of the College, positions that report directly to the President of the College, Human Resources staff, Deans, Title IX Coordinator, Associate Director of Budget, and all unclassified Administrative Assistants. If a position no longer reports directly to the President or the Human Resources department, said position shall become part of the bargaining unit.

B. EQUAL OPPORTUNITY

1. The Association agrees to maintain its eligibility to represent all members of its bargaining unit by continuing to admit persons to membership in the Association without discrimination on the basis of age, race, color, religion, national origin, sex, marital status, familial status, protected disability, sexual orientation, political affiliation or belief, and to represent equally all members of the unit without regard to membership or participation in, or association with, the activities of any professional organization.
2. The Board agrees to continue its policy of not discriminating against any administrator on the basis of age, race, color, religion, national origin, marital status, sex, familial status, protected disability, sexual orientation, organization affiliation, political affiliation, or belief.

3. The Association supports the Board's commitment to the principles of diversity in recruitment and hiring of College teachers and College administrators, as set forth in the current College Equal Employment Opportunity Policy.

C. DEFINITIONS

In the applications and interpretation of the provisions of this Agreement, the following definitions shall apply:

1. Board shall mean Board of Trustees of Henry Ford College or its designated agents.
2. Association shall mean the Henry Ford College Administrators' Association.
3. As used in this Agreement, the term "administrator" shall mean the job titles listed in Article XXIII.
4. Exempt administrators shall mean administrators listed in the Recognition Clause.
5. President shall mean the President of the College or his/her designated agents.
6. In the construction of the words used in this collective bargaining agreement, the use of the singular shall include the plural.

D. AGENCY SHOP

Currently, the Michigan Public Employment Relations Act prohibits employees from being required as a condition of employment to financially support a labor organization or bargaining representative. This section shall apply as long as such prohibition remains in effect. In the event that such prohibition is not in effect, this section will not apply and the Agency Shop provisions of the 2008-2013 Local 71, AFL-CIO Collective Bargaining Agreement shall apply in its stead.

E. DUES OR SERVICE CHARGE CHECKOFF

1. During the life of this Agreement, the Board shall deduct one month's current uniform and periodic Henry Ford College Administrators' Association dues or service charge from the monthly contractual pay of each administrator who voluntarily executes and delivers to the Board a form authorizing such deductions.
2. The following certification form shall be used by the Association when certifying membership dues or service charge:

CERTIFICATION OF FINANCIAL OFFICER OF ASSOCIATION

I certify that until further notice the membership dues or service charge payable under the current collective bargaining agreement is _____ percent of the administrator's monthly contractual salary per month for the months July through June.

Date

Signature

Association Financial Officer
Date of Delivery to Board

3. Payroll deductions shall be made only from the pay due administrators on the regular pay day of each calendar month; provided, however, the initial deduction for any administrator shall not begin unless both (a) voluntary authorization for deduction of Association dues or service charge and (b) the certification of the Association's financial officer as to the amount of the monthly Association dues or service charge have been delivered to the Board at least fifteen (15) calendar days prior to the regular pay day of the calendar month on which the change is to become effective.
4. An administrator may revoke the "Voluntary Authorization" for deduction of Association service charge at any time by written notification to the Board on a form provided by the Board, provided notice of such revocation is given to the Association. Payroll deductions shall terminate when a revocation has been delivered to the Board at least thirty (30) calendar days prior to the regular pay day of the calendar month.
5. All sums deducted by the Board shall be remitted to the financial officer of the Association once each month by the fifteenth (15th) calendar day of the month following the month in which the deductions are made, together with a list of names and the amount deducted for each administrator for whom a deduction was made.
6. The Board shall not be liable to the Association by reason of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the administrator. In addition, the Association shall indemnify and save the Board harmless from any liability resulting from any and all claims, demands, suits, or any other action arising from compliance with this Article, or in reliance on any list, notice, certification or authorization furnished under this Article.
7. The Board agrees that it shall not, during the life of this Agreement, deduct dues or service charges from administrators for any organization other than Henry Ford College Administrators' Association.

ARTICLE II – ADMINISTRATORS' RIGHTS AND RESPONSIBILITIES

A. ADMINISTRATION OF COLLECTIVE BARGAINING CONTRACTS

It shall be the responsibility of each administrator to administer equitably and properly the provisions of all collective bargaining contracts entered into by the Board and in force at the College.

Members of the bargaining unit may make suggestions to their exempt administrators regarding negotiations of those contracts they are expected to administer.

B. COMPLAINTS

In order to encourage the harmonious and expeditious resolution of complaints against administrators, it is agreed that no decision shall be made before the administrator is notified of the complaint and is given the opportunity to clarify the circumstances leading to the complaint.

Parties to this agreement concur that complaints shall be dealt with in the following manner and in a timely fashion:

1. When the exempt administrator receives a complaint from any individual against any administrator under his/her supervision, the matter shall be referred directly to the administrator against whom the complaint was lodged or, if appropriate, to the Office of Human Resources.
2. If the administrator is unable to resolve the complaint, the matter shall be referred in writing to the appropriate exempt administrator with all pertinent information, including the administrator's position in the matter.
3. The administrator against whom the complaint was lodged shall be presented with all appropriate information garnered from involved parties. The administrator against whom the complaint was lodged shall have the opportunity to meet in person with the exempt administrator to present his/her response to the complaint.
4. The exempt administrator, after considering all information available, shall submit his/her decision in writing to the involved administrator, with a copy to the President. If the President thinks the complaint of sufficient importance to the College to require his decision, he shall render such in writing to the involved administrator, and his decision shall be final. If the President chooses not to act, the decision of the exempt administrator shall stand as final.

In any interviews required of the administrator in this procedure, he/she may be accompanied and represented by the Association.

C. JUST CAUSE

Discipline or discharge of administrators who have successfully completed a two (2) year probationary period may be imposed only for just and reasonable cause.

Severance of an administrator for abandonment of duties shall not be subject to the provisions specified above nor to the provisions of the grievance procedure.

Severance of an administrator for abandonment of duties shall occur when an administrator fails to report to work for a period of five (5) consecutive work days without notice, provided the College has sent a certified "next day mail" letter requesting return to work to the administrator's last address on file with the College, and provided the administrator has no reasonable explanation for failure to notify the College of the reason(s) for absence.

The College may, at any time, terminate an administrator if that administrator is convicted of a felony. Such termination shall not be subject to the grievance procedure.

D. PROBATIONARY PERIOD

All newly hired, elected, or appointed administrators shall serve a two (2) year probationary period. The probationary period begins the first day of employment and ends on the second anniversary of that date. The primary emphasis in the first year of probation shall be on evaluating performance of administrative duties. In the final year of probation, there shall be continued emphasis on evaluating performance of professional duties with equal emphasis on participation in the governance structure of the College and other appropriate community involvement, including but not limited to, continuous improvement projects, leadership activities, and Association activities.

In the interest of giving administrators the best opportunity to pass their probationary period, at least three (3) written performance evaluations by the administrator's immediate supervisor should be done over the course of the two-year probation period, which may include the regular annual evaluations described in Article II.F. The first evaluation must be done within the first six (6) months of employment and thereafter evaluations shall be done at intervals not to exceed twelve (12) months. If a written performance evaluation is not produced and discussed with the administrator, the administrator may request the performance evaluation from the immediate supervisor. If the written evaluation is still not produced in a timely fashion, the administrator may ask the Human Resources Office to intercede.

The final written performance evaluation shall include a statement indicating whether or not probation has been successfully completed. If the administrator is recommended for non-renewal or dismissal, the administrator may request a meeting with the supervisor, a designee of the President, and a representative of the Association.

If an administrator is reassigned by the College to a different position as part of the just cause process set forth in Article II.C, an additional probationary period

will be required. Specific performance objectives and the length of the probationary period, not to exceed eighteen (18) months, will be agreed upon by the College and the Association. If an administrator applies for and is appointed to a different position, a probationary period may be required.

All decisions regarding the continuation or renewal of a probationary administrator's contract shall not be subject to just cause provisions of this agreement nor shall these decisions be subject to the grievance procedure.

Procedural issues regarding evaluation of probationary administrators shall be determined in consultation with Association representatives.

E. ADMINISTRATOR'S PERSONNEL FILE

1. It shall be the right of any administrator to examine his/her personnel file upon request in accordance with the Bullard-Plawecki Employee Right to Know Act. The administrator shall receive a copy of any material, other than confidential references and other initial employment documents, when it is placed in his/her personnel file and shall be given the opportunity to react in writing as an attachment to the material.
2. It is understood that confidential credentials from educational institutions and personal references are not subject to examination and may be removed prior to examination by the administrator.

F. EVALUATION

1. Each administrator shall be evaluated annually by the administrator's immediate supervisor(s). The exempt administrator shall review and sign all of the evaluations within his/her division of the College.
2. The College and the Association will work together to develop a new instrument to be used for the written evaluations of administrators. The evaluation instrument shall include participation in continuous improvement initiatives and leadership activities, as well as job-related goals and objectives and the timely completion of annual evaluations of any subordinates of administrators. The instrument ultimately adopted by the College must be used in all written evaluations and must be used in the manner intended in the evaluation process.
3. If an annual written evaluation is not produced and discussed with the administrator by June 30 of each year, then the administrator may submit a written request to his or her immediate supervisor(s) for his or her evaluation to be completed by July 31, and a copy of the request shall be simultaneously provided to the Director of Labor Relations and Human Resources Office.
4. An employee earning an overall rating at or below 2.0 during any mid-year performance review shall be placed on a Performance Improvement Plan (PIP). An employee receiving an overall rating at or below a 2.0 on

their annual performance evaluation shall be placed on a PIP and shall not be eligible for Step advancement for the year following the performance review until the first day of the month following successful completion of their PIP.

G. CONFLICT OF INTEREST

In order to foster participation in the shared governance structure of the College and to avoid potential conflicts of interest, full-time administrators shall not accept employment for compensation from an employer, other than the College; receive fees for professional/technical services; or conduct business-related activity for monetary gain during the regular College day.

Exceptions to this Article shall be granted by the President after consultation with the Association, provided the administrator can demonstrate: (1) the activity does not interfere with the administrator's responsibilities, and (2) there is no conflict of interest between the activity and the administrator's employment at the College.

H. INTELLECTUAL PROPERTY

Any product of a physical, intellectual, and/or artistic nature, which may be produced in the course of an administrator's employment at the College, and any proceeds deriving therefrom, shall remain the property of the administrator, unless the product is produced at the direction of the College and the College dedicates funding to underwrite the development of the product. In such event, the administrator and the College, or their designees, shall negotiate a mutually satisfactory agreement addressing the ownership of the product and proceeds therefrom.

ARTICLE III – BOARD OF TRUSTEES' RIGHTS

- A.** The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and the United States.
- B.** The exercise of these powers, rights, authority, duties, and responsibilities by the Board and the adoption of such rules, regulations and policies as it may deem necessary shall be limited only by the specific and express terms of this Agreement.

ARTICLE IV – ADMINISTRATIVE ASSIGNMENTS

The Board and the College administration agree that all positions shall be staffed by the most competent and qualified persons who can be hired or placed within a reasonable length of time. Administrators are expected to possess at least a bachelor's degree or comparable combination of education and experience at the discretion of the College.

A. APPOINTMENT TO ADMINISTRATIVE POSITIONS

1. Whenever a permanent position in the unit is open, the College will post the opening internally for at least five (5) working days prior to externally posting the position.
2. The composition of the selection committee for non-elected administrators at a director level and above shall include a minimum of one member of the Association's bargaining unit.
3. Final selections and recommendations to the Board for appointments to administrative positions rest with the President.

B. ADMINISTRATIVE REORGANIZATION, REASSIGNMENT, AND TEMPORARY APPOINTMENT

1. When an administrative vacancy occurs or a new position is created, the President may fill the position temporarily by reassigning an administrator after consultation with the Association President. Such an assignment shall be for no longer than twelve (12) consecutive calendar months beginning with the effective date of the assignment.
2. Even though a vacancy does not exist, the President may effectuate temporary or permanent administrative transfers for the good of the College after consultation with the Association President.
3. Recommendations to the Board for appointments to administrative positions rest with the President.
4. In the event of the extended vacancy or absence of an administrator, the President, after consulting with the Association President, may appoint a qualified administrator to assume the responsibilities of the absent administrator. If an administrator is appointed to assume the responsibilities of an absent administrator, the appointed administrator shall be compensated by being placed on the salary grade of the absent administrator, or by remaining on current grade and step, whichever shall provide the higher compensation.

If a teacher is appointed to assume the responsibilities of an absent administrator, the teacher's extra hours of administrative work shall be compensated for at the non-teaching extra-contractual rate for thirty (30) work days.

Should the teacher's appointment be for more than thirty (30) work days, on the thirty-first work day of the appointment, the teacher shall be placed on the appropriate level of the administrators' salary schedule and shall be compensated accordingly. He/she shall also be required, effective this date, to comply with agency shop provisions of the contract, if applicable.

If the President chooses to appoint to the temporary vacancy someone who is not a current administrator or teacher, that person may assume

the responsibilities of an absent administrator for a period of thirty (30) work days. The appointed person shall be compensated by being placed on the appropriate step of the salary schedule, at the salary grade of the absent administrator. Should the appointment be for more than thirty (30) work days, on the thirty-first (31st) work day of the appointment, the person shall be required to comply with agency shop provisions of the contract, if applicable.

As a temporary member, this individual has all of the rights and responsibilities as outlined in the contract, but is not subject to administrative transfer provisions of this contract. This individual shall be subject to termination at the end of the period specified in the individual contract without recourse to any of the reduction and recall provisions of the contract.

This arrangement shall remain in effect until the return or termination of employment of the absent administrator.

5. If an administrator is given an extended special temporary assignment that lies outside his/her regular responsibilities, the President or designee will consult with the Association President to determine what, if any, additional compensation may be appropriate. Any decision by the President in such a matter is not subject to the grievance procedure.
6. The Association President shall be notified in writing by the Director of Labor Relations and Human Resources and his or her designee of any agreements between the College and any Association member(s) involving any compensation the Association member(s) receives that is above and beyond the compensation contained in this agreement. This includes, but is not limited to, an extra-contractual compensation of a non-teaching nature.

C. REDUCTION AND RECALL

1. If, in the opinion of the President, it should become necessary to reduce the number of College administrators, the President shall inform the Association of the need for and the effect of such reductions before implementing the reduction.
2. Effective with the 2008-2009 contract year, if an administrative position is grant-funded, and grant-funding is no longer available to the previous extent, and as a result the position is eliminated, the affected administrator will not have the right to placement in a position currently held by a regular administrator or administrator regardless of length of service or qualifications and may not be placed in a position currently held by a non-represented part-time administrator. Such administrator shall have no right to recall as set forth by Article IV.C. All postings and job descriptions for such grant-funded positions will be prominently labeled as such and include specific information regarding the lack of recall rights.

3. Administrators on approved leaves of absence at the time staff reductions are determined shall be considered on the same basis as administrators currently on duty.
4. The President shall select for retention those administrators with the longest full-time service with the College, unless other factors are judged to be of greater importance and value to the College; such factors shall include the requirements of the position to be filled, appropriate training and experience, and valid certification where needed. If the administrator to be retained has less College administrative service than one to be released, the President or designee shall, upon request, explain confidentially to the Association and the administrator to be released the reasons for the decision.

It is understood that an administrator who has sufficient teacher tenure and seniority shall have the option to transfer to teaching.

It is also understood that exempt administrators, including the President, shall make a good faith attempt to place, when necessary, an administrator in a vacant position for which the administrator is qualified, but may lack tenure and sufficient seniority.

The efforts of the exempt administrators to facilitate the move of an administrator to a non-administrative position shall include a good faith attempt at placement in a position currently held by a non-represented part-time administrator. However, the administrator is not obligated to accept placement in a part-time position. In this case, recall rights to a full-time position in accordance with Article IV.C. are not forfeited.

5. Any administrator released because of reduction in staff, including abolition of positions, shall be offered the next vacant administrative position for which the administrator is qualified, in the same pay grade the administrator held at the time of the release, provided such vacancy occurs within three (3) years of administrator's release. For the purpose of this Article, qualifications will be evaluated based on the official records of the College at the time of the vacancy. Administrators released may supplement those records at any time to make sure that their qualifications are clearly delineated in those records. However, an administrator is not obliged to accept placement in a position in a lower paying grade, and in this case, shall retain recall rights in accordance with this section. If an administrator accepts placement in a position in a lower paying grade, the administrator shall retain recall rights to a position in the same pay grade the administrator held at the time of the release in accordance with this section.

The College shall make reasonable efforts to notify a laid off administrator of recall opportunities. Written notification shall be sent by certified mail to the administrator's last known address. Should the administrator fail to respond within five (5) days of date of notification and indicate willingness to return to full-time employment status, that administrator shall forfeit the right to be recalled to employment.

The parties also agree that no administrator has the right to be promoted by operation of the layoff or recall process.

6. Administrative reorganization, reclassification, reassignment, reduction, or recall shall not be subject to the grievance procedure; the matter of process connected with any of these actions may be subject to the grievance procedure.

D. SALARY SCHEDULE PLACEMENT AND RECLASSIFICATION

1. New Positions

- a. The President, or designee, and the Association President shall meet and collaborate on the appropriate salary schedule placement for any position that does not currently exist in the bargaining unit. Consideration for salary schedule placement will be based on a review of the following criteria:
 - i. Market (based on a mutually agreed upon group of comparable community colleges).
 - ii. Impact position has on the College in terms of enrollment, retention, finances,
 - iii. Scope of position responsibilities, including but not limited to range of activities, duties, or responsibilities that an employee is reasonably expected to carry out or fulfill within the boundary of his or her job or position.

2. Reclassification

- a. The reclassification process shall be concerned solely with the determination of appropriate salary grade placement of an administrator's position. A bargaining unit member requesting reclassification has the burden of proving to the Reclassification Committee that his or her position has evolved so that the level of work performed by that administrator is substantially and materially similar to the level of work performed by administrators in a higher pay grade.
- b. The Reclassification Committee shall consist of three (3) set members appointed by the President, one of whom shall be the Director of Labor Relations and Human Resources who will serve as chairperson, and two (2) members elected by the Association and one (1) member appointed by the Association President. The Reclassification Committee will be a Standing Committee whose members serve for one fiscal year beginning on July 1st. The Association shall provide the College with written notice of its Committee members in June of the year preceding the applicable term.

- c. The process for reclassification shall be as follows:
- i. An Association member or the Vice President to whom an Association member reports may initiate a request for reclassification.
 - ii. Association members must notify the Association Executive Board in writing of intent to file for reclassification.
 - iii. Association President will contact the Committee Chairperson and inform him/her of the member's request and ask that all pertinent position data be forwarded to the Association President within five (5) business days.
 - iv. The Association Executive Board will meet with the applicant within ten (10) business days of notification of intent to file for reclassification to determine if reclassification is warranted.
 - v. If, by majority vote, the Association Executive Board determines that a petition for a reclassification hearing is warranted, the Association President will contact the Director of Labor Relations and Human Resources to schedule a meeting.
 - vi. The Reclassification Committee shall meet within fifteen (15) working days of receiving official notification from the Association President.
 - vii. The applicant shall be allowed to be present during the information gathering phase and shall be excused before any vote is taken. Supplemental information may be requested by the Reclassification Committee.
 - viii. At the conclusion of deliberations, the Reclassification Committee shall vote by secret ballot with the ballots being tallied by the Chairperson and verified by a designated Association member serving on the committee. The vote of the committee shall be considered an advisory vote and shall be presented to the President for consideration in recommending a salary status change to the Board. The minutes of the meeting shall be forwarded to the Association President.
 - ix. If the secret ballot vote results in a reclassification DENIAL, the Committee Chairperson will notify the applicant, in writing, why the Reclassification Committee failed to put forward their request. A copy of written statement should be sent to Association President.
 - x. Applicants who follow this process and are denied a reclassification are required to wait twelve (12) months prior to resubmission of request. This one-year limitation will also apply to applicants who are granted a reclassification to a higher salary grade.
 - xi. Re-submission of denied reclassification requests must identify significantly different reasons for requesting an additional review.

Nothing in this Article shall limit the President's authority in making final recommendations regarding salary grade or salary step placement on the salary schedule.

E. EXTRA-CONTRACTUAL ASSIGNMENTS

1. No administrator shall be denied the opportunity for extra-contractual assignments which are available and which do not interfere with normal administrative duties provided the Local 71 member meets or exceeds the qualifications currently required of full-time faculty in the Division and the requirements of the Higher Learning Commission. Exceptions are made only upon recommendation of the Vice President and approval of the President.
2. For extra-contractual assignments of a teaching nature, if the administrator notifies the appropriate Associate Dean of his or her interest in teaching by the first day of the preceding full semester (Fall for Winter, Winter for Spring, Summer and Fall), the administrator shall have priority in receiving a teaching assignment immediately following the assignment of classes to full-time faculty and prior to adjunct faculty.

Should an extra-contractual teaching assignment be cancelled by the College, the affected individual shall be offered an alternative extra-contractual assignment for which the individual is qualified, if one is available, first from persons who are not full-time faculty or administrators of the College, then from Local 71 members with lower College seniority.

- a. Class Reassignment: Schedule changes should be made as early as possible, preferably one (1) week prior to the beginning of the semester (defined as the first day of class).
 - b. If a class is cancelled or reassigned to a full-time faculty more than three (3) days before the semester begins, the Administrator has the right to bump into a class for which he or she is qualified to teach within the discipline, if the Administrator notifies the Associate Dean in writing (including email) within twenty-four (24) hours of notification of the cancellation.
 - c. If cancellation or reassignment to a full-time faculty occurs less than three (3) days before the beginning of the semester, no such bumping rights exist, however, the College retains the discretion to allow bumping under this procedure.
3. When extra-contractual assignments of a non-teaching nature are assigned by an exempt administrator, the following procedure is to be followed:
 - a. Qualified administrators in the division which is offering the assignment.
 - b. Qualified administrators in the College.

- c. Qualified members of the College Organization.
4. The acceptable extra-contractual assignment for an administrator shall be no more than twelve (12) contact hours per academic year, including summer sessions, with a maximum of six (6) contact hours per semester. These assignments may consist of any combination of teaching and non-teaching duties. Exceptions are made only upon recommendation of the Vice President and approval of the College President and the Association President.
5. For the purpose of computing the number of contact hours per academic year, two (2) clock hours for non-teaching duties shall be the equivalent of one (1) contact hour. Teaching duties shall be computed using standard contact hours for that assignment.
6. Compensation for extra-contractual teaching assignments for administrators shall be the same as that which would be paid if a full-time teacher with identical credentials were to be given the assignment.

Compensation for extra-contractual administrative assignments shall be 1/1975 of the administrator's contractual salary.

Salaries for part-time, non-faculty professional employees not represented by the Association shall be set at neither a rate so low as to constitute employment competition nor so high as to constitute discrimination against members of the Association.

F. COMMUNITY SERVICE

Each administrator in the unit is encouraged to perform up to eight (8) hours of community service during each contract year (July through June) during regularly scheduled work hours, with pay. The venue of the service, which shall be within the geographical boundaries of Wayne County, Michigan, shall be individually determined by the administrator and subject to College approval. Community service under this provision is intended to: provide support and demonstrate appreciation to those communities most strongly represented in the College's student body; establish a more personal connection and identity for the College in the minds of community organizations, leaders, and activists; establish a greater understanding among administrators of the communities the College serves through a greater College staff presence out in the communities; and lay the groundwork for establishing partnerships or coalitions with community organizations and leaders that may better serve the communities and the College in fulfilling their missions. Time taken under this provision must be approved in advance by the administrator's immediate supervisor.

ARTICLE V – LEAVES

- A. Definition: Provisions of the Family and Medical Leave Act notwithstanding, a leave is a Board-approved absence without pay (except for sabbatical), granted

to a non-probationary administrator with provisions for certain rights and responsibilities before, during, and following such absences.

- B.** Requests: In order for a leave request to be given consideration, it must be submitted to the Human Resources Office in writing, and within prescribed time limits, if applicable for the type of leave requested.
- C.** Expiration: A leave may be rescinded or terminated before the normal expiration date only by mutual agreement between the administrator and the Board.
- D.** Payments: Except as specifically provided, no payment of any kind shall be made to or for any administrator while on a leave covered by this Agreement.
- E.** Return: An administrator shall be eligible to return to the position after an approved leave of one (1) years or less, subject to the reduction and recall provisions of the contract.

If the leave extends beyond a one (1) year period, return shall be to a comparable position at the College, if such a position is available and if the administrator is qualified for the position.

1. Effective July 1, 2022, each employee, unless otherwise agreed by the Parties, will be placed on the Salary Grade associated with their position as shown on the above Salary Structure and placed on a Step on the 2022-2025 Salary Table as follows:
 - a. Employees eligible for a Step advancement on July 1, 2022, will be placed at the first Step providing an annual salary no less than the annual salary of the Step they would have advanced to on the 2021-2022 Salary Table or three percent (3%) higher than their salary as of June 30, 2022, whichever is greater; OR
 - b. Employees not eligible for a Step advancement on July 1, 2022, will be placed at the first Step providing an annual salary of no less than their salary as of June 30, 2022.
2. Step advancements shall thereafter occur on July 1 of each year in accordance with the provisions of this Agreement.

C. FLSA CONSIDERATIONS

Any employee who is paid less than the FLSA salaried exemption minimum shall be eligible for overtime after 40 paid (worked, sick, vacation, PB, etc.) hours during a work week. The work week shall be defined as Monday through Sunday. All overtime must be preapproved by the employee's supervisor. Employees will be paid on a monthly basis.

D. MERIT POOL

The College shall establish an annual merit bonus pool of sixty thousand dollars (\$60,000). Merit bonus lump sum payments will be paid within 60 days after the completion of the annual Performance Evaluation process.

Employees who have been in the bargaining unit for at least one year as of their performance evaluation date will be eligible to receive an annual merit bonus unless disqualified due to one or more of the following:

- Being placed on a Performance Improvement Plan at any time during the evaluation period.
- Being subject to disciplinary action at the Written Reprimand level or above.
- Receiving an overall performance evaluation rating below 3.00.

The annual merit bonus pool will be distributed among eligible employees based on annual performance evaluation ratings in two tiers, ensuring that employees who earn higher overall performance ratings will receive greater merit bonus payments. The lower tier shall consist of employees earning an overall performance rating 3.00 and 3.99; the higher tier shall consist of employees earning an overall performance rating of 4.00 or above. Merit bonus calculations will be developed by the College with input from the Association on or before February 28, 2023.

ARTICLE XXIV – MATTERS CONTRARY TO AGREEMENT

This Agreement shall supersede any rules, regulations, or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual administrative contracts heretofore in effect, and it shall supersede all letters or memoranda of agreements between the Parties executed prior to July 1, 2022, unless expressly extended or re-executed by the Parties in writing. All individual administrative contracts shall be subject to the terms of this Agreement, and this Agreement shall be part of the established personnel policies of the Board affecting administrators.

ARTICLE XXV – WAIVER CLAUSE

The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Board and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they

negotiated or signed this Agreement. The parties may, however, by mutual agreement, negotiate on any item both deem to require negotiation.

ARTICLE XXVI – CONFORMITY TO LAW CLAUSE

This Agreement is subject in all respects to the laws of the State of Michigan with respect to the power, rights, duties, and obligations of the Board, the Association and members of the Bargaining Unit. In the event that any provision of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provisions shall be void and inoperative. However, at the option of either party to the contract, the specific provision, thus voiced, and that provision only, shall be immediately subject to negotiations. All other provisions of this Agreement shall continue in effect.

ARTICLE XXVII – SUCCESSOR AND ASSIGNS

This Agreement shall be binding on any and all successor and assigns of the Employer, whether by sale, transfer, merger, acquisition, consolidation, or otherwise. The Employer shall make it a condition of any transfer that the successor or assigns shall be bound by the terms of this Agreement. The Employer shall continue to be liable for the complete performance of this Agreement until the successor or assigns expressly agrees in writing that it is completely bound by the terms of this Agreement.

Any resolution adopted for the purpose of initiating, authorizing or approving the sale, transfer or surrender of the assets of the College to any successor shall contain the following provision:

This resolution shall not be valid unless the purchaser or transferee provides an express written promise to assume all of the rights and duties of the collective bargaining agreement between the Henry Ford College Administrators' Association Local 71, and the Henry Ford College Board of Trustees/Dearborn Board of Education.

ARTICLE XXVIII – DURATION OF CONTRACT

This Agreement shall be effective on July 1, 2022, and shall continue in full force and effect until June 30, 2025. On or about March 1, 2025, either party may give written notice to the other of its desire to negotiate a new agreement for the following year and meetings for that purpose shall begin at a time mutually agreeable to the parties, provided that nothing in this paragraph or elsewhere in this Agreement shall be construed to require the Board to commit an unfair labor practice or otherwise violate the law by any improper recognition of or support or assistance to the Association.

If agreement on a new contract has not been reached by the parties by June 30, 2025, this Agreement shall remain in effect from day to day until a new contract is agreed upon; however, the continuation of this Agreement may be terminated by either party with forty-eight (48) hours notice.

ARTICLE XXIX – NO-STRIKE PROVISION

A. The Association and the Board agree that both desire uninterrupted service and operation of the College. The Association agrees, during the term of this Agreement, not to call,

support, or encourage any strike, walkout, sit down, slowdown, artificial sick call, sympathy strike, or other interference with or interruption of work and that it shall not counsel or advise its members to engage in any such interruption of work.

- B. In the event activities prohibited by this Article occur during the life of this Agreement, the Association and its officers shall exercise whatever powers they possess and take whatever steps are necessary and proper to end such improper activity.

IN WITNESS WHEREOF, the parties have executed this document by their duly authorized representatives this 1st day of July, 2022.
