

# STUDY ABROAD IN ITALY!

Summer 2009  
June 20-29

Study basic **Italian language & culture** in Italy, touring Venice, Florence, Assisi, Sorrento, Pompeii and Rome, with optional excursions to Pisa and Capri.

Based on European student discounts, for students under 23, the basic program fee is approximately \$2,800, and includes R/T airfare Detroit/Italy, lodging and two meals per day. (For travelers over 23, approximately \$3,100) Fees exclude customary gratuities.

Fees, cities, and dates are subject to change, slightly. They are based in large part on occupancy and fuel surcharges. This trip is fast-paced and geared toward a younger crowd, but is open everyone, including those young at heart! Minors must be accompanied by a chaperone.

Directed study general credits are available and students may be eligible for financial aid. Apply at the Financial Aid Office as soon as possible.
