REGISTER FOR CLASSES - STEPS TO SUCCESS

Registering for classes is easy and convenient. Below is a listing of the registration process for different categories of students at HFCC:

- New Degree-seeking Students
- New Non-degree-seeking Students
- Guest Students
- Returning Students (registered before at HFCC)

Please follow these steps to success to get started at HFCC!

DEGREE-SEEKING STUDENTS

Degree-seeking students are expected to enroll in a specific HFCC program of study. Students should follow these easy steps for admission and registration:

1 Complete an HFCC Admission Application

Students should fill out an admission application and return it to the Admissions, Registration and Records Office. The Admissions application charge is a \$30 non-refundable fee. One of the following must be submitted for admission:

- Current 2011 high school students are required to submit a final high school transcript.
- Pre-2011 high school graduates are required to submit their current high school transcript.
- GED holders are required to submit a copy of their General Equivalency Diploma (GED) transcript (with scores).
- Transfer students should forward official copies of their college transcripts. Student copy required for advising.
- International students must provide proof of graduation from a school equivalent to a U.S. high school.
- Non-U.S. Citizens must provide proof of current visa status.

The best way to apply for admission is on the web at www.hfcc.edu/apply. Paper applications can be obtained by calling the HFCC Welcome Center at **1-800-585-HFCC** or e-mailing enroll@hfcc.edu.

Students will be notified by mail of their acceptance status.

Note: Health Careers and Nursing applicants must meet special requirements and follow special procedures. Call **313-317-6525** or **313-845-9834** for details.

2 Participate in Course Placement

After the College receives the student's HFCC admission application, the student may participate in Course Placement at the Assessment Center, located on the first floor of the Learning Resources Center (LRC).

In order to help students make the best choices in selecting classes, all degree-seeking students are required to participate in Course Placement. Course Placement helps students and their counselor or faculty advisor assess their reading, writing, and math skills. Course Placement is free of charge. Students should allow about two hours to complete the test. No appointment is necessary. Course Placement is available on a walk-in basis. Picture ID must be presented at the Assessment Center.

Completing course placement early in the admission process gives students the opportunity to meet with an advisor and participate in early registration. Early registration gives students access to the best selection of classes and times.

For more information about Course Placement, students should call the Assessment Office at **313-845-6399**.

NOTE: Michigan Merit Scholarship recipients are not required to take HFCC Course Placement.

3 Participate in Orientation, Advising, & Registration

Orientation is the next step in the new student process. At orientation you will:

- Meet with faculty to discuss college expectations
- Meet with a counselor for academic advising
- Meet with a financial aid representative
- Register for your classes
- Arrange for tuition and fees payment

Note: Tuition payment is due by 4:30 p.m. Friday the week you originally register for classes or by Thursday at 6:30 p.m. during the summer hours. See page 5 for "Payment of Tuition and Fees".

GUEST / NON-DEGREE-SEEKING STUDENTS

Persons who wish to take credit courses for enrichment, personal development or to continue their education can be admitted as non-degree students. Guest students are those attending other colleges who wish to take courses at HFCC for transfer credit.

Note: Financial aid is not available to guest or non-degree-seeking students.

Guest/non-degree-seeking students should follow these easy steps for admission and registration:

1 Apply for Admission - Non-Degree Seeking Students

The best way to apply for admission is on the Web at www.hfcc.edu/apply. The only exception is Dual Enrollment or Advancement Plus students, who must complete a paper application and obtain the appropriate signatures from high school personnel. A \$30 application fee is required. A non-degree student must be a high school graduate or have a general equivalency diploma (GED).

NOTE: Students will be dropped from courses if it is found that the prerequisite requirement was not met at the time of registration.

Guest Students

Students currently attending a Michigan college or university must submit a signed Michigan Uniform Guest Application. Students who attend a college or university not located in Michigan should visit the Office of the Registrar at the school they are currently attending for additional information on obtaining permission to enroll at HFCC as a guest student. After the guest application is submitted, a \$30 application fee will be assessed to the students account.

To take classes, students must meet all course prerequisites listed in the HFCC catalog. Some classes may require placement testing.

2 Register for Classes

After admission, students can register for classes. Please follow the Returning Student process listed on page 5.

While the information bleow is believed to be accurate, be sure to check the HFCC Financial Aid web page http://www.hfcc.edu/tuition_and_payment/financialaid/ for updated information and instructions after April 1, 2011.

The Financial Aid Office strongly encourages applicants to complete the FAFSA online at www.fafsa.ed.gov to avoid the most common application errors and delays. However, if you choose to complete the paper version of the FAFSA, be sure to use the 2010-2011 version.

Note: Effective with the 2008-2009 aid year, the federal government is no longer distributing paper copies of the FAFSA to schools. If you wish to complete a paper version of the 2010-2011 FAFSA, you must contact the federal government at **1-800-4-FED-AID** to request one be mailed to you.

HFCC's Federal School Code (002270)
under Step Six of the FAFSA.

3 YOU WILL BE NOTIFIED. After completing the FAFSA, the applicant will be informed by the U.S. Department of Education (via a Student Aid Report) and by the HFCC Financial Aid Office of any information requiring correction or of any additional documentation that is required to be submitted to the Financial Aid Office.

4 AWARD LETTER WILL BE SENT. Once all required documents have been submitted to the Financial Aid Office and any necessary corrections have been made to the application, the Financial Aid Office will mail an award letter to the student applicant. The student may also view the award letter as well as information regarding required documents on HFCC's WebAdvisor at <http://my.hfcc.edu/webadvisor/st/stmenu.html>.

Students who wish to accept loan funds that have been awarded must return a signed copy of the award letter to the Financial Aid Office indicating that they wish to accept their loan award(s).

Students accepting a loan at HFCC for the first time must complete Entrance Counseling on-line at www.studentloans.gov. They also must complete a Master Promissory Note on-line at www.studentloans.gov.

Note: Students who completed FAFSAs online should already have a U.S. Department of Education PIN. However, if the student does not have a PIN, he or she can apply for one online at www.pin.ed.gov. Note: Once you have been assigned a PIN, you must activate it online at www.pin.ed.gov before it can be used.

Once a financial aid award has been made (and accepted in the case of a loan), students may charge tuition and fees to these financial aid awards until such time as they have received a financial aid refund check.

Students who enroll in class and pay tuition and fees before receiving a financial aid award will be reimbursed what they paid up to the amount of their eligible financial aid award(s).

Financial aid funds (including both need-based and scholarship-based aid) are generally applied to student accounts beginning on the first day of the academic semester for which they were awarded. The Cashier's Office will generally issue a refund of non-restricted financial aid funds which are in excess of tuition, fee, book, and childcare, charges within 14 days of the aid being applied to a student's account. To see if a refund check is available a student can access the information at:

http://www.hfcc.edu/current_students/checkrun.asp.

Financial aid funds may be reduced or withdrawn completely if a student fails to attend classes, drops classes after receiving payment of financial aid, fails to enroll in a minimum number of credit hours, or if they otherwise fail to meet specific eligibility requirements.

The Financial Aid Office has a computer lab available across the hall in room 30 of the Learning Resources Center. Students may use these computers at no charge to submit their FAFSA online, to complete Loan Entrance Counseling, to complete a Master Promissory Note, to apply for a PIN, or to check award information on HFCC's WebAdvisor. The computer lab is open and Financial Aid staff is available to help (if needed) during normal business hours.

Financial Aid Office Hours

Monday - Thursday 8:00 am to 6:30 pm
Friday 8:00 am to 4:30 pm
(Closed on Fridays from May 13 thru August 12, 2011)

SCHEDULE ADJUSTMENTS (ADD/DROP)

Schedule adjustments or changes can be made once a student has officially enrolled for classes for the semester.

Students can go to www.hfcc.edu to make any adjustments to course schedules.

MEMBERSHIP IN A CLASS DOES NOT CEASE UNTIL A STUDENT OFFICIALLY WITHDRAWS.

A grade of DR (Drop) is recorded on a student's transcript whenever a class is officially dropped after the second day of class, usually May 11, 2011 for the Spring semester and June 29, 2011 for the Summer semester.

If a student stops attending a class without officially withdrawing, a grade of E or DR will be recorded at the discretion of the instructor. Refer to the current college catalog for specific details.

PREREQUISITES

Students are responsible for completing course prerequisites. Please refer to the HFCC catalog for all prerequisites and co-requisites. Students will be dropped from courses if it is found that the pre requisite requirement was not met at the time of registration.

COURSE PLACEMENT TESTS

Current and former students who are planning to enroll in English, and/or Math courses, and who have NOT taken Course Placement are required to take the English and/or Math placement tests. Students planning to enroll in Chemistry 141 must also take the chemistry placement test. The English and chemistry tests are each one hour long; the mathematics test is 30 minutes.

All tests are available in the Assessment Center. The center is in the north wing of the Learning Resources Center.

Assessment Center Hours

Monday - Thursday 8:00 am to 6:30 pm
Friday 8:00 am to 4:30 pm
(Closed on Fridays from May 13 thru August 12, 2011)

Allow two hours to complete assessment testing. No appointment is necessary. Students should take the test(s) on the earliest convenient date. Bring your student ID number and a picture ID. Students planning to take the chemistry placement test may also wish to bring a calculator.

GRADES

HFCC does not mail grades to students at the end of class. Grades are available via My HFCC WebAdvisor (www.hfcc.edu/current_students). Access to this service requires students to uniquely identify themselves with a log-in ID. See "WebAdvisor" on page 9. Students are encouraged to test their log in before grades are available.

REGISTRATION AND RECORDS

Registration services are provided at the Admissions, Registration and Records Office. In addition, students may obtain services for academic records, such as a transcript, enrollment verification, change of address, and graduation information during business hours.

In-Person Registration Hours

Monday - Thursday 8:00 am to 6:30 pm
Friday 8:00 am to 4:30 pm
(Closed on Fridays from May 13 thru August 12, 2011)

CLASS CANCELLATION

Every attempt is made to offer an adequate number of class sections; however, students may find some classes filled. Classes with inadequate registration may be cancelled. Information on the status of all classes is available in Registration and Records. HFCC reserves the right to make changes to this schedule without notice.

COMPUTER CLASSROOM DEFINITIONS

CLASSROOM/COMPUTER USED – The class meets like any other on campus class. In addition, a PC will be available and used at each desk in the classroom.

CLASSROOM & WEB – This class meets part of the time like any other on-campus class. The other part of the time the student is expected to use the Web to complete assignments.

ONLINE – This is a distance learning class that meets online. Computer software such as a Web browser, Ucompass etc. may be used. The percent indicates how much of the class is online. For example, a class that is 95 percent online might require that the student come to campus for a midterm and a final exam. Please contact the instructor for specifics.

TO AUDIT A CLASS

A student may elect to audit a course by completing an Audit Application form in the Registration and Records office. Students may attend audited classes regularly, but students will not receive a grade or credit for the course. A record will be kept of the course or courses audited.

A student must apply for audit status in Registration and Records during the first two weeks of classes. Change of status from audit to credit or from credit to audit is not permitted after the second week of classes.

COMPUTER LITERACY REQUIREMENT

All students must demonstrate basic computer literacy before graduation. Students can meet this requirement by taking one of the following courses: ACT 112, AH 125, ART 275, BCA 140, CIS 100, CIS 221, CIS 223, HCS 131, *HIT 161, MFMT 103, TAFD 115 or by passing CLT-100, a zero credit hour computer literacy test. (See page 17 in the current college catalog for more information on general education outcomes for degree-seeking students.)

*Course no longer offered.
