International Students Panel Discussion

**Tuesday, February 17, 2015
From 11:10a.m. -12:30 p.m. in K-14**

The second annual HFC Foreign Students Forum will showcase the cultures, lives and experiences of our students who have journeyed here from exotic realms. Scholars from Egypt, Palestine, Syria, Nigeria, and Iraq will share highlights of their native lands and discuss differences and similarities with our own Henry Ford College culture. This will be an interactive opportunity for all of us to expand our horizons. Last year's forum was a truly wonderful eye-opener.

Everyone is welcome.

Faculty, please bring or send your students.
