HENRY FORD COLLEGE

FUTUREDRIVEN

2014-2015 FAST FACTS

OUR MISSION

Henry Ford College transforms lives and builds better futures by providing outstanding education.

As a student-centered, evidence-based college, our success is measured by the success of our students.

We empower learners through the development of independent, critical and creative thinking, and we foster diversity, tolerance, understanding, and acceptance to prepare learners to succeed in a global society.

We anticipate and respond to the needs of our stakeholders, exceed their expectations and serve the public good.

We Value PASSION, INTEGRITY, INGENUITY, and RESPECT.

STRATEGIC PLAN

- Provide accessible, high quality, and affordable education to meet the needs of our community.
- Design and implement strategies to increase student success in their academic pursuits.
- Investigate, establish, and strengthen partnerships with key stakeholders within the community to better address the needs of students, community stakeholders, and the College.
- Promote effectiveness through the development and use of continuous quality improvement.
- Foster a culture that recognizes and enhances the contributions of all members of the College community.
- Develop and deliver curriculum to prepare students for a rapidly changing world and workplace.
- Develop resources and effective operational strategies to promote a supportive learning environment and sound financial stewardship.
- Utilize changing technologies to improve academic outcomes and increase administrative efficiency.

PROGRAMS & SERVICES

Since its founding in 1938 as Fordson Junior College, Henry Ford College has been the gateway to higher education for thousands of students who seek affordable, high-quality, postsecondary education. HFC is accredited by the Higher Learning Commission, a commission of the North Central Association of Colleges and Schools (www.ncahlc.org).

HFC, located in southeast Michigan, serves more than 21,000 students annually by preparing them for a rapidly changing world and workplace. The College offers more than 100 associate degrees, university transfer, and career programs.

In addition to providing highly skilled workers for Detroit-area employers, HFC also specializes in customized workforce development training for business and industry through the Office of Corporate Training and the Michigan Technical Education Center.

HFC is governed by a seven-member board of trustees elected by the citizens of the Dearborn School District.

FINANCIAL AID

The majority of our students (57.3% in 2013-2014) receive some form of financial aid. During the 2013-2014 academic year, nearly $79 million in financial aid was distributed to HFC students.

As of December 8, 2014, 12,464 admitted students have received financial aid for the 2014-2015 academic year. In the previous academic year (2013-2014), 16,319 students received financial aid.

OUR GUARANTEE

Henry Ford College guarantees that classes will not be cancelled for students who have registered and paid their tuition. In addition, HFC's tuition freeze guarantees that any tuition increase levied by the College after a student's initial semester of enrollment will be refunded to the student upon graduation. For specific guidelines on these guarantees, please visit https://www.hfcc.edu/about-us/guarantee.

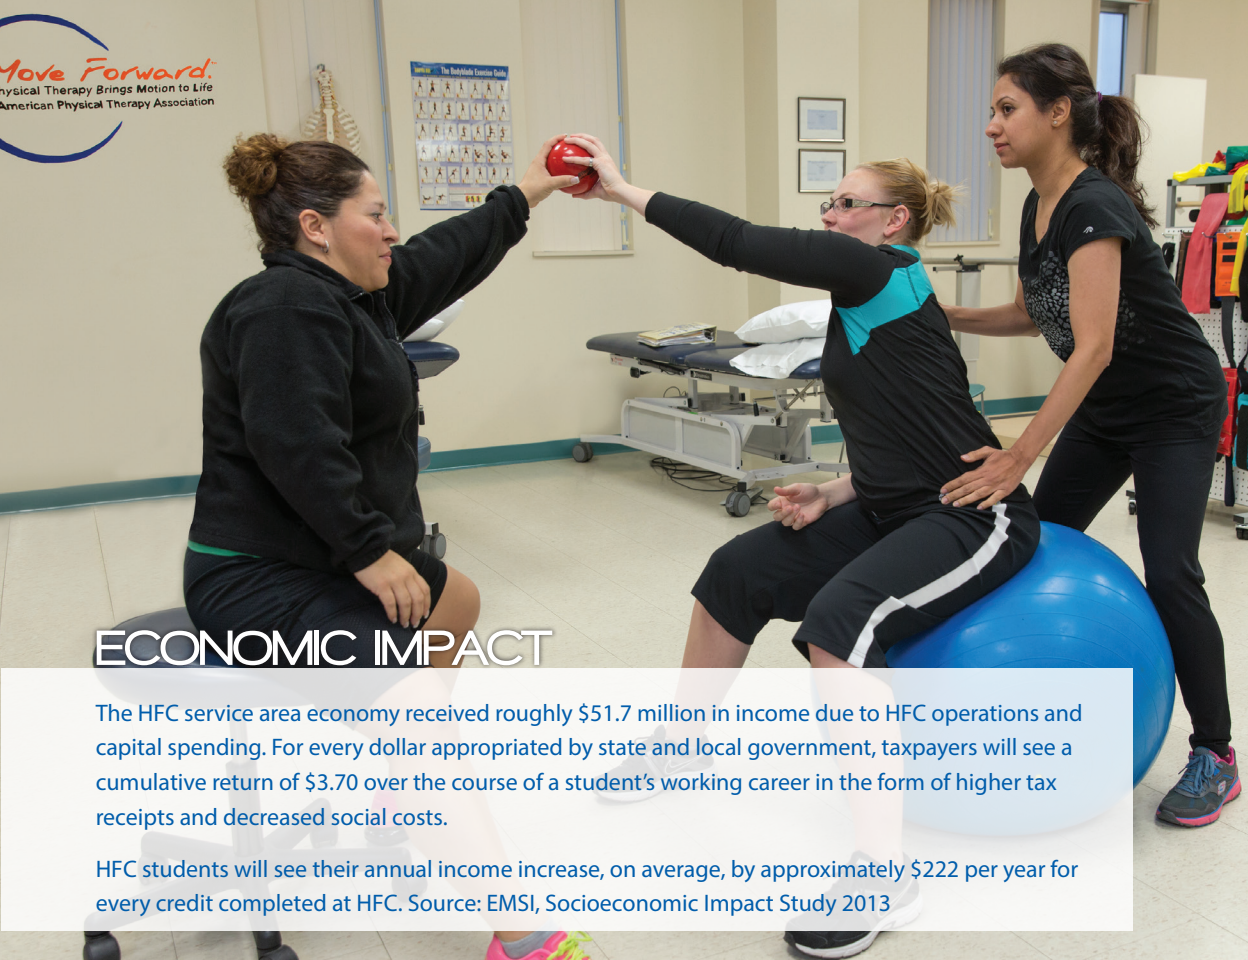
HFC BENEFITS THE COMMUNITY

Students benefit from improved lifestyles and increased earnings. Taxpayers benefit from economic growth and lower social costs. The community as a whole benefits from increased job and investment opportunities, and higher business revenues.



ECONOMIC IMPACT

The HFC service area economy received roughly $51.7 million in income due to HFC operations and capital spending. For every dollar appropriated by state and local government, taxpayers will see a cumulative return of $3.70 over the course of a student's working career in the form of higher tax receipts and decreased social costs.

HFC students will see their annual income increase, on average, by approximately $222 per year for every credit completed at HFC. Source: EMSI, Socioeconomic Impact Study 2013
