

## ASSOCIATE DEGREE PROGRAM INFORMATION

Institution	<b>Henry Ford College</b>
Degree/Program	<b>Public Health Associate in Science</b>
Credits Required	<b>61</b>

## MICHIGAN TRANSFER AGREEMENT (MTA)

The MiTransfer Pathways builds on the Michigan Transfer Agreement (MTA). The MTA allows transfer students to select designated courses to complete a minimum of 30 credit hours fulfilling MTA distribution requirements. Students following MiTransfer Pathway agreements should complete the MTA in accordance with the sending institutions' course designations and consider whether any recommended MiTransfer Pathways major-specific courses will "double count" to fulfill MTA distribution requirements in planning their transfer. More information about the MTA is available at [www.mitransfer.org](http://www.mitransfer.org).

The MTA Mathematics distribution area allows students to complete one of three math pathways. The Public Health MiTransfer Pathways faculty recommended that students complete a course in the Statistics pathway.

## MITRANSFER PATHWAYS COURSES

These courses are commonly agreed upon for transfer in this program around the state among participating institutions.

Pathway Course	Subject/ Course Number	Course Title	Credit Hrs
Introduction to Psychology	PSY 131	Introduction to Psychology	3
Introduction to Sociology	SOC 131	Introduction to Sociology	3
Introduction to Public Health	AH 141	Introduction to Public Health	3
Community Health	AH 151	Introduction to Community Health	3
Nutrition	HPE 158	Introduction to Nutrition	3
Personal Health/Wellness	HPE 141	Introduction to Health and Wellness	3

## REMAINING DEGREE REQUIREMENTS

These are additional associate degree requirements that are not MTA or MiTransfer Pathways courses. They might not be accepted for transfer by universities participating in the agreement.

General Education or Program Requirement	Subject/ Course Number	Course Title	Credit Hrs
HFC requirement	AH 100	Medical Terminology	4
HFC requirement	BIO 138	Environmental Science	4
HFC requirement	BIO 139	Environmental Science Lab	2
HFC requirement	CIS 100 or HCS 131	Computers in Health Care or introduction to Information Technology	3
		Remaining hours	None

\*MATH 141 -Intro to Statistics is part of MATH MTA requirement
