**AGREEMENT BETWEEN
THE BOARD OF TRUSTEES
OF HENRY FORD COLLEGE
AND
THE HENRY FORD COMMUNITY COLLEGE
FEDERATION OF TEACHERS
AMERICAN FEDERATION OF TEACHERS' LOCAL 1650**

2020-2021, 2021-2022, 2022-2023

This agreement is made this 22nd day of August 2020, by and between the Board of Trustees of Henry Ford College (hereinafter referred to as the "Board") and the Henry Ford Community College Federation of Teachers, AFT Local 1650 (hereinafter referred to as the "Union"), for the period beginning August 24, 2020 and ending August 21, 2023.

I. RECOGNITION

- A.** The Board recognizes the Union as the sole and exclusive bargaining representative for the Bargaining Unit consisting of all classroom teachers (except part-time extra-contractual classroom teachers teaching less than ten contact hours); all Department chairpersons, all Counselors, all Librarians, all Career Services Officers, Learning Lab Coordinators, Student Outreach and Support Services Director, Special Needs Program Advisors, Student Newspaper/Student Activities Officer, and Athletic Director (except for the non-classroom teaching positions cited above working less than nineteen hours per week). With respect to part-time teachers of English Composition, an assignment of eight or more contact hours shall constitute membership in the Bargaining Unit. All members of the Bargaining Unit shall hereinafter be referred to as "teachers."
- B.** The Union agrees to maintain its eligibility to represent all teachers by continuing to admit persons to membership without discrimination and to represent HFCC-FT Bargaining Unit members equally, regardless of membership in any employee organization.
- C.** The Board agrees to continue its policy of not discriminating against any teachers on the basis of age, race, color, religion, national origin, marital status, pregnancy, sex/gender, gender identity, gender expression, gender transitioning, sexual orientation, weight, height, familial status, protected disability, disability, perceived disability, veteran status, genetics, other characteristics protected by law, political affiliation or belief, membership in, and participation in or association with the activities of any employee organization.
- D.** The Union and the Board of Trustees support the affirmative action policy, as adopted by the HFC Faculty Organization.
- E.** The Board shall make no changes in the hours, wages, and conditions of employment of teachers incorporated in this Agreement except upon mutual agreement of the Board and Union. The Board shall also make no changes, except upon mutual agreement of the Board and Union, in those portions of (a) the Faculty Organization Handbook, or (b) the Staff Handbook of Administrative Regulations, or (c) The Board Policy Book which embody or constitute hours, wages, or conditions of employment. When any such changes are agreed upon, the Board shall within ten (10) days deliver three (3) copies of such changes to the

Union. It is understood that many matters involving hours, wages and conditions of employment, as set forth in the aforementioned documents, have been incorporated in this Agreement, and that in all such instances this Agreement shall supersede the aforementioned documents and constitute the controlling instrument.

New policies and regulations relating to hours, wages and conditions of employment not covered by any portion of this contract, which are contemplated by the Board, shall be adopted only after prior adequate consultation with the Union, with a good faith intent to reach agreement. However, the Union recognizes that failure to reach agreement following such good faith consultation shall not give rise to a grievance.

II. BOARD OF TRUSTEES' RIGHTS

The Board, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself, all rights, powers, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Michigan and/or the United States.

The exercise of these rights, powers, authority, duties, and responsibilities by the Board and the adoption of such rules, regulations, and policies, as it may deem necessary, shall be limited only by the specific and express terms of this Agreement.

III. UNION-BOARD RELATIONS

A. Union Dues

1. During the life of this Agreement, the Board shall deduct one (1) month's current uniform and periodic Henry Ford Community College Federation of Teachers' dues or service charge from the pay of each teacher who voluntarily executes and delivers to the Board a form authorizing such deductions.
2. Payroll deductions shall be made only from the pay due teachers on each pay date, provided, the initial deduction for any teacher shall not begin unless both (1) voluntary authorization for deduction of Union dues or service charge and (2) the certification of the Union's financial officer as to the amount of the periodic Union dues or service charge has been delivered to the Office of Human Resources at least fifteen (15) calendar days prior to the last pay date of the calendar month in which the change is to become effective.
3. A teacher may revoke the "Voluntary Authorization" for deduction of Union service charge at any time by written notification to the Office of Human Resources, provided notice of such revocation is given to the Union. Payroll deductions shall terminate when a revocation has been delivered to the Office of Human Resources at least thirty (30) calendar days prior to the last payday of the calendar month.
4. All sums deducted by the Board shall be remitted to the financial officer of the Union once each month by the fifteenth (15) calendar day of the month following the month

in which the deductions are made, together with a list of names and the amount deducted for each teacher for whom a deduction was made.

5. The Board shall not be liable to the Union by reason of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the teacher. In addition, the Union shall indemnify and save the Board harmless from any liability resulting from any and all claims, demands, suits, or any other action arising from compliance with this Article, or in reliance on any list, notice, certification, or authorization furnished under this Article.
 6. The Board agrees that it shall not, during the life of this Agreement, deduct dues or service charges from HFCC-FT Bargaining Unit members for any organization other than the Henry Ford Community College Federation of Teachers.
 7. Currently, the Michigan Public Employees Relations Act prohibits employees from being required as a condition of employment to financially support a labor organization or bargaining representative. This Article shall apply as long as such prohibition remains in effect. In the event that such prohibition is not in effect, this Article shall not apply and the Agency Shop provisions in effect in the 2012-15 HFCC-FT Bargaining Agreement shall apply in its stead.
- B.** The Board shall make available to the Union, upon its reasonable request and within a reasonable time thereafter, such statistics and financial information related to Henry Ford College and in possession of the Board as are necessary for negotiation and implementation of collective bargaining agreements. It is understood that this shall not be construed to require the Board to compile information and statistics in the form requested when not already compiled in that form unless mutually agreeable.
- C.** The Union shall be furnished a copy of the agenda of each regular meeting of the Board with all normal attachments including the minutes of past meetings.

The Union shall be entitled to appear on the Board agenda provided that a written notification is submitted to the President's Office on or before the Tuesday prior to a regularly scheduled meeting.

Lacking a written notification to appear on the agenda of the Board of Trustees, the Union shall be entitled to speak on issues affecting Henry Ford College at the Board of Trustees' meetings at such times during the meetings as are provided in the agenda or at any other time agreeable to the Board.

- D.** Teacher representation on any committee appointed by the Board and dealing with matters within the jurisdiction of the Bargaining Unit, other than committees formed by agreements between the Faculty and the Administration pursuant to the provisions of the Constitution for the Faculty Organization of Henry Ford College, shall be appointed by the Union.

- E. Upon request, the President of Henry Ford College shall meet personally with the President of the HFCC Federation of Teachers, or vice versa, to discuss matters relating to the implementation of this agreement or to emphasize the significance to the College and/or the Union of any problems that may be under consideration at any level.
- F. Rooms at the College may be used for Union meetings and special programs, provided that: (1) arrangements are made in advance with the Administration and (2) meetings are scheduled within the regular shift hours of custodial staff.
- G. Whenever possible, the scheduling of classes of any member of the Executive Board of the Union which interfere with attendance at the monthly Executive Board meetings after 3 p.m. of the second Monday of each month shall be avoided, if names of Union Executive Board members are supplied to the Administration by October 1 for the Winter semester schedule and by February 1 for the Fall semester schedule.
- H. Teachers who by arrangement between Union and Administration participate during working hours in conferences and meetings with the Administration, which involve or derive from this Collective Bargaining Agreement, shall suffer thereby no loss in pay or benefits.
- I. The President of the Union shall, upon request, be provided released time during the presidency, with no cost thereto accruing to the Board and with no penalty to the individual. If this released time is not used by the President of the Union, it may be assigned at the Union President's discretion. However, if any portion of this time is to be assigned, the Union President must supply the Administration with the name(s) of such teacher(s) by October 1 for the Winter semester schedule and by February 1 for the Fall semester schedule, except that these notification dates shall be waived in an emergency situation where the Union President becomes incapacitated for a period of time sufficient to require a teaching substitute, provided that coverage can be assured for the classes affected.

The College shall comply with the Federation's requests for redirected contractual and extra-contractual assignments for the President of the Union, provided the College is notified in writing by July 1 preceding the contractual year for which the redirected assignments are requested.

The Union shall compensate the College for all contractual and extra-contractual compensation, FICA, retirement contributions, and all insurance coverage premiums that result from redirected time for the Union President's service to the Union.

The College shall submit an invoice for one quarter of the expenditures associated with such redirected time by October 15, January 15, April 15, and July 15 of each year.

The HFC-FT President or designee(s) shall retain the right to participate in the governance structure of the College, consistent with the rights of full-time teachers, regardless of the amount of redirected time which may or may not be requested under this Article or whether the HFC-FT President/designee(s) is employed by the College or the Union.

- J. Teachers shall be accorded the opportunity to attend programs of an educational nature on topics related to organizational activity, with no loss of pay, provided no cost accrues to the College.

IV. CONDITIONS OF EMPLOYMENT

- A. Preferred minimal educational requirements for full-time teaching shall be a Master's Degree in subject matter, or its equivalent, directly related to the teaching job being filled. In the filling of a full-time faculty position, a Selection Committee consisting of full-time faculty appointed from within the Department or a Department-wide Selection Committee consisting of all full-time faculty within the Department who wish to serve, shall develop the job description and job posting, subject to the approval of the administration; determine applicants to interview; conduct applicant interviews; and recommend an applicant(s) to the Department or directly to the Administration, as determined by Department policy; or request a reposting of the position.

In the event that the responsibilities of the faculty position fall within the purview of more than one Department, each Department shall be represented on the Selection Committee. In the absence of agreement among such Departments on matters such as, but not limited to, the participation of Departments in the Selection Committee and/or the number of faculty representing each Department, the matter(s) shall be referred to the College and Union for a negotiated resolution of the issue.

The Selection Committee or the Departments shall forward the recommended applicant(s) to the appropriate Vice-president for the next step in the interview process and, in turn, to the President for the final interview, approval, and submission to the Board of Trustees.

In the event that the Vice-president or President not approve a Selection Committee or Department's recommendation, the Committee or Department shall be informed of the reasons for the non-approval; be afforded the opportunity to meet with the Vice-president and President to discuss their concerns; submit another applicant for their consideration, should that still prove necessary; or request a reposting of the position.

It is understood that when part-time or temporary full-time vacancies are filled because of enrollment demands as a semester is beginning, time may not permit providing the teachers within the Department where the vacancy exists the fullest possible involvement in the hiring process. In such instances, the teachers within the Department may, at their option, assess the part-time or temporary full-time hire during the first semester of employment in the manner traditionally used by the teachers in the filling of a vacancy, including the review of application materials, conducting an interview(s), observing teaching performance, and forwarding a recommendation relative to continued employment beyond the initial assignment.

- B. Whenever the number of classes taught during the day by part-time teachers within a Department is equal to or exceeds two (2) full-time positions for three (3) consecutive

semesters, the Administration shall honor the request of the Department for additional full-time teachers, up to a number that would reduce the amount of day part-time teaching within the Department to less than that equal to two (2) full-time positions.

It is understood by the parties that no more than four (4) teachers may be hired under the terms of this provision in any one (1) contractual year. Should the requests for additional teachers under this provision exceed four (4) in number in any one (1) contractual year, the requests of those Departments having the highest ratio of part-time to full-time teachers shall receive priority under this provision.

It is also understood that requests for full-time hires under the terms of this provision shall be honored only in a semester (1) immediately preceded by three consecutive semesters in which tuition/fees and State aid revenues at the College have increased, remained constant, or been limited to a decrease of 1% (0.01) or less, and (2) only to the extent that turn-over savings from full-time teacher retirements/resignations effective with the current College year are sufficient to fund the additional full-time positions.

The language in this provision should in no way be construed as to prohibit the hiring of full-time teachers under conditions other than those cited above, and in no way places a limit on the total number of teachers the College may hire in a particular year.

- C. Effective with 2021-22 Contractual year and thereafter, the minimum full-time teachers staffing levels shall be:

2021-22 Contractual Year. The College shall hire a sufficient number of faculty for the Fall Semester to bring the minimum number of full-time faculty to 176 for the remainder of the contractual year. The parties may agree to hire such faculty effective with the Winter Semester (May 1 Hire Date, Report Date Fall).

2022-23 Contractual Year. The College shall hire by May 1, 2022, with a Fall 2022 Semester reporting date, a sufficient number of faculty to bring the minimum number of full-time faculty to 183 for the remainder of the contractual year.

2023-24 Contractual Year. The College shall hire by May 1, 2023, with a Fall 2023 Semester reporting date, a sufficient number of faculty to bring the minimum number of full-time faculty to 190 for the remainder of the contractual year.

2023-24 Contractual Year. The College shall hire by May 1, 2024, with a Fall 2024 Semester reporting date, a sufficient number of faculty to maintain the minimum number of full-time faculty at 190.

Effective with the Fall 2024 Semester and thereafter, the minimum staffing level of full-time faculty each contractual year shall be the greater of 190 or the number determined by the indexing calculations in the following paragraph, but no less than 190.

By March 1 of each year, the College shall total the contact hours generated by the College in the most current two fiscal years using the Summer Session, Fall, and Winter Semesters. (Spring will be excluded in the indexing calculation). The College shall divide this by the

number of contact hours generated in the Summer Session, Fall, and Winter Semesters of the 2021-2022, and 2022-23 fiscal years and multiply that quotient by 190. The product shall be rounded to the nearest whole number. The noted two years in this paragraph will be used to set the index for calculating full-time teachers, in addition to the minimum number of 190 full-time for future years, unless the parties agree otherwise.

Should the index identify full-time faculty numbers over the 190 minimum number, the first position identified through the indexing will be a Counseling position.

If the minimum staffing level as produced by this index decreases, all other provisions of the contract shall still apply, including, but not limited to, the Tenure and Seniority provisions of the contract.

However, the minimum number of full-time faculty shall fall no lower than 190, and 190 minimum full-time faculty shall continue to be such in future years, unless the parties agree otherwise.

In the event a full-time faculty member leaves the College immediately prior to or during a semester, reducing the number of full-time faculty below the minimum then in effect, the Administration shall make a good faith effort to replace that faculty position with a temporary full-time faculty member. If possible, the temporary full-time position shall be filled by current adjunct faculty. The parties acknowledge that, in most cases, adjunct faculty should be available to fill the vacated position.

Should replacement of the full-time faculty who depart during a semester not be feasible, the Union agrees that the contractually required minimum number of faculty shall be waived by the number of departures for the duration of that semester only and that the contractually required minimum number of full-time faculty shall be filled for the following semester.

Full-time faculty teaching the third and fourth years of four-year degree programs, as may be hired by the College, shall be considered members of the HFCC-FT Bargaining Unit and covered by the terms of the HFCC-FT contract, unless the parties agree otherwise, and such positions shall be considered as additions to the contract's full-time minimum staffing level.

- D.** When a teacher speaks or writes as a citizen, the teacher shall be free from administrative and institutional censorship and discipline. However, the responsibility for clarifying the communicator's position resides with the teacher, and a statement to the effect that the teacher speaks as an individual, a citizen, and not on behalf of the institution, should be included in this communication.

Each teacher is entitled to freedom of discussion within the classroom on all matters which are relevant to the subject under study and within the teacher's area of professional competence. The presence of any communications device during the meeting of a class shall be subject to the teacher's permission or the requirements of legislation regarding protected privacy.

- E. A written recommendation resulting from any Department action which is forwarded to an appropriate administrator, through established channels at the College, is deserving of a written response. Such response should, in the normal course of events, be provided within ten (10) working days and should indicate the administrator's action (e.g., approval or disapproval, support or lack of support, acceptance or rejection, return to sender for any purpose, statement of need for further study or other appropriate action), including the reasons for such action.

V. CONSTITUTION FOR THE FACULTY ORGANIZATION

The provisions of the Constitution for the Faculty Organization of Henry Ford College are incorporated into the HFCC-FT, AFT 1650 Collective Bargaining Agreement by reference and are subject to the provisions of the agreement, including the grievance and arbitration procedure. It is understood that no changes or amendments to the Constitution and/or By-laws of the Faculty Organization shall be made without the mutual agreement of the parties to the HFCC-FT Collective Bargaining Agreement and that grievances arising from changes or amendments to the Constitution, without mutual agreement of the Union and College, shall be subject to binding arbitration provision of the contract. It is further understood that grievances regarding violations arising from existing provisions of the Constitution, By-laws of the Constitution, and procedures outlined within the Constitution shall be subject to the advisory arbitration provision of the contract.

VI. TENURE AND PROBATION

A. Definitions

1. The term "teacher" as used in this Article shall mean full-time teacher as defined by the collective bargaining agreement.
2. The term "demote" shall mean to reduce a teacher's contractual salary and fringe benefits or to refuse to advance a teacher to a higher step on the salary schedule, if so required by the collective bargaining agreement.
3. The term "College Year" shall be as defined by the Collective Bargaining Agreement or as adopted by the practice of the parties.
4. "Tenure" is the term of the individual contract of employment between a teacher and the employer wherein such individual contract of employment has no expiration date.
5. The term "day" as used in this Article shall mean calendar day.

B. Probationary Period

1. Each teacher, upon being hired full-time at the College, shall serve a four (4) year period of probation.

The primary emphasis in the first two and one-half (2.5) years of probation shall be on evaluating performance of professional duties. In the final year and one-half (1.5) of probation, there shall be continued emphasis on evaluating performance of professional duties with equal emphasis on participation in the governance structure of Departments and the College. Participation in the governance structure of the HFCC Federation of Teachers may be used, at the teacher's option, to fulfill the governance requirement of this Article.

2. At least three (3) and preferably four (4) classroom observations per year, or their equivalent for probationary teachers not engaged in classroom activities, shall be made by the appropriate administrator, unless extraordinary circumstances prevail, in which case the Administration may waive such requirements. Any teacher on probation may request an observation. When a Teacher Evaluation Form is submitted, the probationary teacher may write any comments the teacher feels are appropriate. The teacher's written comments shall be attached to the Teacher Evaluation Form. Prior to the writing of a report, it is desirable that a conference be held with the teacher involved. If any weaknesses are to be cited, a conference shall take place. The administrator shall offer constructive comments in writing regarding weaknesses observed.

A Department shall establish a Probationary Teacher Mentor Committee consisting of tenured teachers from within of the Department or, if the Department so chooses, additional teachers from outside the Department to provide the probationary teacher with: (a) evaluations and recommendations regarding the teacher's performance during the teacher's first two (2) years of probation and (b) information regarding procedures and policies of the Department and the College, with particular emphasis upon the shared governance structure of the College. The findings and recommendations of such a committee shall be confidential and shall be shared with administration only following written permission from the probationary teacher.

3. Not less than twenty (20) days before the end of any College Semester for a first-year probationary teacher, forty (40) days for a second year probationary teacher, and sixty (60) days for a third year or fourth year probationary teacher, the President of the College or designee may recommend to the Board of Trustees that a probationary teacher's contract not be renewed. The Administration, if it decides to recommend to the Board of Trustees the non-renewal or the dismissal of a probationary teacher, shall furnish such teacher with a written statement containing the reason(s) for such recommendation. Such reason(s) shall be based upon observation and/or other relevant considerations. In addition, the Administration shall provide, at the request of the affected teacher, a conference with the administrator who recommends non-renewal or dismissal and a conference with the College President or designee. The teacher may be accompanied by a Union representative if the teacher so desires.
4. No probationary teacher shall be extended rights and/or privileges not granted a tenured teacher.
5. The provisions of Article VI.B., Probationary Period, are subject to review through the Grievance Procedure. The parties agree that under no circumstances shall an

arbitrator have jurisdiction to grant tenure as a remedy for any violation of the provisions of Article VI.B., Probationary Period. The denial of tenure shall not be subject to review through the Grievance Procedure.

C. Tenure

1. Following the completion of the probationary period, all teachers shall be vested with tenure as teachers of the Henry Ford College Board of Trustees.
2. Any tenured P-12 teacher from the Dearborn School District who is hired at the College and any instructional employee who has been employed as an administrator or in a combination of teaching/administrative positions at HFC for four (4) full College years, who subsequently becomes a teacher, shall be considered a tenured teacher under the terms of this Article.
3. No teacher on tenure shall be discharged, demoted or otherwise terminated from employment with the Board of Trustees without compliance with the provisions D, E, and F of this Article.
4. Action brought against a teacher under provisions D, E, and F of this Article shall not be subject to review through the Grievance Procedure.

D. Severance of a Tenured Teacher

1. Discharge, separation or demotion of a tenured teacher shall be accomplished only for just cause. No charges concerning the character of professional services of any teacher shall be considered unless such charges have been filed not less than sixty (60) days before the end of the College year.
2. Any charge seeking to separate a teacher with tenure shall be reduced to writing, signed, and attested to before a notary by the person making same and filed with the Secretary of the Board of Trustees. The Board of Trustees shall, at its next scheduled public meeting, receive such charges for consideration and shall conduct a vote on whether or not to proceed upon such charges. In the event that the Board of Trustees elects to proceed upon such charges, the Board of Trustees shall forthwith advise the affected teacher and provide to such teacher a copy of the charges, a copy of the resolution of the Board of Trustees, as well as a statement of the rights of the teacher under this Article. The teacher shall notify the Board of Trustees in writing, within ten (10) days of receipt of charges, that the teacher desires a hearing with the Board.

The Board of Trustees shall convene for the purpose of hearing evidence in support of charges not less than thirty (30) days nor more than forty-five (45) days from the receipt of the teacher's request for a hearing. Such hearing shall be public or private at the option of the affected teacher and shall be chaired by the Chairperson of the Board of Trustees with Counsel or an Administrative Law Judge who shall be an attorney employed by the Board of Trustees for the purpose of chairing such meeting. The Chair shall keep order at such hearing, direct the receiving of proofs, and make rulings upon evidence, as may be appropriate. The Chair shall set the rules for

procedure at such hearing provided that the rules of evidence comply with the Administrative Procedures' Act of 1969.

3. The hearing shall be quasi-judicial, with the charging party having the burden of proof and the burden of going forward with the evidence in support of such charge(s). Both the teacher and the charging party may be represented by counsel.
4. Either party may call for the attendance of witnesses and either party may call for the production of documents or the attendance of witnesses for the production of documents. The Board of Trustees shall do all that is within its power to ensure compliance.
5. Testimony at the hearing shall be on oath or affirmation. The proceedings at such hearing shall be transcribed by a certified court reporter, and the expense of such proceedings shall be borne by the Board of Trustees. A transcript of the proceedings, certified complete and correct, shall be provided the affected teacher, at Board expense, within ten (10) days after the conclusion of the hearing.
6. No action shall be taken resulting in the demotion or dismissal of a tenured teacher except by a majority vote of the members of the Board of Trustees. Any hearing held for the dismissal or demotion of a tenured teacher must be concluded by a decision in writing within fifteen (15) days after the termination of the hearing. A copy of such decision shall be furnished the affected teacher within five (5) days after the decision is rendered.

E. Appeal

1. Only the affected teacher may elect to appeal the decision of the Board of Trustees to an arbitrator selected in accordance with the rules of the American Arbitration Association. Appeal must be filed within thirty (30) days after receipt of the decision of the Board of Trustees.
2. Such arbitrator shall receive and review the transcript of proceedings before the Board of Trustees, and the arbitrator shall receive and review citations of error as may be submitted by the affected teacher. The arbitrator shall receive and review such citations of error and the transcript, hear such argument and such further evidence as may be appropriate or as the affected teacher may wish to introduce, shall consider such evidence and opionate upon the same, and issue a de novo decision, which decision may be the same or different from that of the Board of Trustees. In no event shall the arbitrator be confined to the decision of the Board of Trustees but may elect to substitute a judgment for that of the Board of Trustees in the event that the Board's decision is inconsistent with the terms of this Article. Such decision by the arbitrator shall be final and binding on the Board of Trustees, the charging party, and the affected teacher. The costs of such arbitration shall be borne equally by the Board of Trustees and the affected teacher.

F. Suspension

A teacher may be suspended from duties by decision of the President in the event that charges have been filed or shall be filed within twenty-one (21) working days thereafter by a charging party. No suspension shall be valid unless charges are filed under the Tenure provision of the contract within twenty-one (21) working days thereafter. During such period of suspension, the affected teacher's salary and benefits shall not be diminished, nor shall such a teacher be denied an increase in salary and benefits in the event that such increase is appropriate under this contract.

Notwithstanding the above, a teacher may be suspended from duties for up to five (5) days in any College year for disciplinary reasons, without contractual and/or extra-contractual compensation, subject to review through the Grievance Procedure.

G. Abandonment of Duties

Severance of a teacher for abandonment of duties shall occur when a teacher fails to report for work for a period of ten (10) consecutive work days without notice, provided the College has sent a certified "next day mail" letter requesting return to work to the teacher's last address on file with the College, and provided the teacher has no reasonable explanation for failure to notify the College of the reason(s) for absence. Severance under this Article shall not be subject to review under the Tenure Provision of the contract but shall be subject to review through the Grievance Procedure.

VII. SENIORITY

- A.** A District seniority date is the February 1 or September 1 date which, subtracted from the current, shall give the number of years of contractual service as an instructional employee of the Dearborn Board of Education and/or the Board of Trustees of Henry Ford College.
- B.** A College seniority date is the February 1 or September 1 date which, subtracted from the current date, shall give the number of years of contractual service as an instructional employee at the College.
- C.** Applicable seniority shall be basically College seniority as previously defined. District seniority acquired outside the College in another bargaining unit in the District subsequent to the advent of the College Bargaining Unit shall count for no value as College seniority.

Only full-time teachers in the Bargaining Unit and teacher-elected administrators at the Bargaining Unit shall acquire and accumulate College seniority.

Seniority shall not be retained by any teacher who accepts permanent appointment to a non-teacher-elected administrative position. Teachers accepting temporary administrative assignments of up to one (1) year in duration shall retain and accrue Bargaining Unit seniority.

- D. Time involved in Personal Leave or time in excess of five (5) years on Civic Leave shall not be counted as creditable service for seniority purposes, and the seniority date shall be advanced accordingly.

Adjustments in seniority dates shall be based on the period not creditable measured to the nearest quarter year, and the seniority date shall be advanced to the appropriate February 1 or September 1.

- E. Time involved in all professional leaves shall be counted as creditable service for the purpose of seniority.
- F. Any teacher who has resigned shall, in any instance of reemployment, be treated as a newly hired teacher with respect to both salary placement and seniority.
- G. Teachers who begin professional service during the course of the College year shall receive the seniority date nearest the date of the commencement of their employment. Should the date of commencement of employment fall equidistant between seniority dates, the teacher shall receive the nearest previous seniority date.
- H. When ranking instructional employees in seniority order, if two (2) or more instructional employees have the same seniority date, they shall be ranked by the last four (4) digits of their respective social security numbers, the employee with the higher number being given higher seniority rank. For example:

<u>Seniority</u>	<u>Date</u>	<u>Social Security Number</u>
Teacher #1	9-1-89	367-20-6500
Teacher #2	9-1-89	558-30-5999
Teacher #3	2-1-90	678-90-9234
Teacher #4	2-1-90	487-65-7233
Teacher #5	2-1-90	999-99-0999

- I. When necessary instructional employee reduction is anticipated at the College, essential courses and/or program offerings shall be determined.
 - 1. The qualifications of current instructional employees shall be reviewed. Possibilities for realignment of instructional employee utilization shall be explored for the purpose of allowing instructional employees with the greatest seniority who possess the necessary qualifications (e.g. Master's degree in subject area, graduate major, or vocational certification) to remain with the College.

An identification of instructional employees surplus to the College shall then be made. Those not qualified to teach the prospectively existing courses and/or programs shall, of necessity, be declared surplus. Those qualified to teach prospectively existing courses and/or programs shall be declared surplus in inverse seniority order.

2. Full-time teachers placed on a list of surplus teachers shall not be severed by the Board if the following conditions exist with relation to part-time employment within their area(s) of competency:
 - a. there is sufficient part-time and/or extra-contractual time (day and/or evening) in their area(s) of competence to make up a full-time assignment;
 - b. the full-time teachers so affected are willing to take those specific assignments as are available in the schedule;
 - c. the Department in question is able to provide the range of courses required by programs within that Department.

The President of the Union shall be advised of the initiation of the above processes and shall be kept reasonably currently informed of the development of any prospective list of surplus teachers. Those full-time teachers laid off by the Board as a result of necessary staff reductions, in accordance with Articles VII.I.1 and VII.I.2, shall be offered reemployment by the Board as full-time positions or the equivalent in part-time and/or extra-contractual time (day and/or evening) become available in their area(s) of competency. The sequence of rehire of such teachers shall be according to College seniority. The College's obligation to return a teacher from laid off status shall be limited to a period of five (5) years or the teacher's number of years of service, whichever is greater.

The College shall make reasonable efforts to notify a laid off teacher of recall opportunities. Written notification shall be sent by certified mail to the teacher's last known address. Should the teacher fail to respond within five (5) weeks of date of notification and indicate willingness to return to full-time employment status, that teacher shall forfeit the right to be recalled to employment.

Should a teacher offered reemployment under this provision be under contractual commitment elsewhere at the time of the offer, the available position shall be reserved for the teacher for up to one (1) year. If a teacher wishes to have a position reserved under this provision, the teacher shall notify the College and the Union in writing, within twenty (20) working days of receiving reemployment notification, of intent to return to the College upon expiration of the reserved period. If a position is reserved for a teacher under this provision, the next eligible teacher on the reemployment schedule, who so desires, shall be offered the reserved position, on a temporary basis, permitting no accrual of seniority, unless the teacher is retained for a period beyond that covered by the temporary appointment.

3. Teachers may be employed for a specified period of time for the following reasons:
 - a. to replace full-time teachers on absence or on leave,
 - b. to replace full-time teachers who die during a regular College Semester,
 - c. to replace teachers who resign during a regular College Semester,

- d. to staff new programs and extensions of existing programs primarily funded from other than basic State aid and/or local millage levy and limited in funding and/or duration,
- e. to replace full-time teachers who accept appointment to administer programs or program expansions of a fixed duration until and unless such administrative appointment is renewed on a continuing basis beyond the fixed duration of the program,
- f. to staff a full-time position(s) on an emergency basis, when time does not permit fulfilling the hiring procedures required of a permanent full-time position,
- g. to fill staffing needs not cited above, subject to the mutual agreement of the Union and Administration.

Teachers employed for a specified period of time shall be subject to termination at the end of the period specified in their individual contracts without recourse to any of the provisions of Articles VII.I.1 or VII.I.2. The Union shall be advised of any individual contract of less than a year's duration. A current list of all individuals hired under this provision shall be provided the Union President within two (2) weeks of the beginning of each College year.

- J. The Administration shall prepare annually a seniority list of full-time teachers at HFC and, upon request, provide a copy thereof to the Union.

VIII. THE COLLEGE YEAR

- A. The College Year shall consist of two (2) semesters, each of which shall consist of no less than seventy-four (74) and no more than seventy-seven (77) instructional days, exclusive of the final examination period and recognized holidays which fall within the weeks of instruction. (Recognized holidays shall be Labor Day, Thanksgiving, Christmas, New Year's Day, Martin Luther King Jr. Day, Memorial Day, and Independence Day.) For Career Services Officers hired subsequent to August 21, 1994, the College year shall be that described in this paragraph.
- B. No alteration of the basic form of the College Year shall be undertaken during the term of this contract without consultation and agreement with the Union.
- C. All contracts issued to teachers shall be College month contracts. Any new contract for longer than this period may be assigned only to teachers whose duties are prescribed in the conditions of a particular State, Federal, or private grant, and only after prior good faith consultation with the Union.
- D. A Spring seven and one-half (7.5) week Session and a Summer seven and one-half (7.5) week Session shall be scheduled in addition to the College Year, but any alteration in these calendars or their length shall be subject to consultation and agreement with the Union.

The final examination period shall normally be considered the last scheduled day of classes in a Spring or Summer Session.

IX. THE COLLEGE WEEK

The normal College Week shall include, and be limited to, the days Monday through Friday.

X. THE COLLEGE DAY

- A.** The College Day shall include such scheduled class sessions as the individual work load may prescribe, regularly scheduled conference hours, the individual teacher's laboratory duties, and such additional time as may be necessary to fulfill committee assignments and other necessary professional responsibilities, within the hours of 8:00 a.m. and 5:00 p.m. The Union agrees that teachers shall be expected to continue to offer some assistance voluntarily with College sponsored activities involving the student body or the public which require professional help beyond the efforts of those administrators and teachers directly and continuingly involved.

So as to ensure that approximately one-third (0.333) of the teachers from each Department, or the College Organizational Structure to which that Department belongs, are present at the College's Graduation Ceremony, each teacher shall be required to participate at least once in every three-year cycle. Each Department of the College shall establish and maintain a rotation policy, initially based upon College seniority, to fulfill the intent of this Article.

- B.** In order to foster teacher participation in the shared governance structure of the College and to avoid potential conflicts of interest, full time teachers shall not accept employment for compensation from an employer, other than the College or the HFCC Federation of Teachers; receive fees for professional/technical services; or conduct business-related activity for monetary gain during the regular College Day (8:00 a.m. to 5:00 p.m.).

Exceptions to this Article shall be granted by the College President, after consultation with the Union, provided the teacher can demonstrate: (1) the activity does not interfere with the teacher's Departmental and College governance structure responsibilities, and (2) there is no conflict of interest between the activity and the teacher's employment at the College.

- C.** Beginning times of classes taught as part of the teacher's regular teaching assignment shall not be more than six (6) hours apart on any given day and the span of class time on any given day shall not exceed seven (7) consecutive hours.

Any exception to the above shall occur only by agreement between the Union and the Administration.

XI. TEACHING WORKLOAD

- A.** The full-time teaching load shall be considered to consist of fifteen (15) contact hours per week. Twelve (12) contact hours per week shall be considered to be the workload for full-time teachers who teach three (3) or more composition classes (English 088, 091, 092, 093, 131, 132, 135, 139).
- B.** It is understood by the parties that the fifteen (15) contact hour full-time teaching load requires an equal number of hours per week in preparation and follow-up relative to classroom instruction.
- C.** The teaching load shall also include two (2) announced, posted, and scheduled conference hours, during which teachers shall be regularly available to students, for each three (3) contact hours in a teacher's contractual assignments. Such conference hours shall be posted on each teacher's office door at the beginning of each semester or term.
- D.** In addition to the twenty-five (25) hours of scheduled class and conference hours (15+10), and non-scheduled fifteen (15) hours of preparation and follow-up (15+10+15), College teachers shall be available for such official Faculty Organization, College Organization, and Departmental meetings as may be scheduled.
- E.** A General College contact hour is defined as a fifty to fifty-two (50 to 52) minute classroom session, depending on the number of minutes necessary to meet the State contact hour mandate, inclusive of laboratory periods, and an apprentice program contact hour is defined as a fifty-five (55) minute classroom session, inclusive of laboratory periods.
- F.** Extra-contractual compensation shall be paid for any contact hours in excess of an annual thirty (30) contact hour contractual load.
- G.** Should the contact hours for courses available within the teaching discipline for which the teacher was hired result in an annual contractual contact hour load of less than thirty (30) contact hours, the shortfall in contact hours shall be covered by treating an equivalent number of extra-contractual contact hours the teacher may be teaching in that particular contractual year as contractual contact hours having no extra-contractual compensation.
- H.** Should a teacher have no extra-contractual contact hours to apply toward contractual load in a year in which an approved annual contractual contact hour load is less than thirty (30) contact hours, the teacher's contractual compensation shall be reduced by an amount equivalent to what would be the teacher's extra-contractual compensation for the deficient number of contractual contact hours.
- I.** The Administration shall schedule the contractual assignments of full-time faculty prior to scheduling class assignments for other individuals.
- J.** Whenever possible, a probationary teacher shall be assigned no more than three (3) different contractual course preparations in any one semester. For the purposes of this Article, a distance education course shall be considered a different preparation than the same course offered through traditional means.

- K.** With respect to a contractual assignment scheduled to begin at 8:10 a.m. or earlier, thirty minutes of a contractual conference hour may be scheduled immediately prior to the assignment; for a contractual assignment scheduled to end at 5 p.m. or later, thirty minutes of a contractual conference hour may be scheduled immediately following the assignment.
- L.** Teachers serving on College, Department, or Program accreditation committees may use up to five (5) conference hours per semester for such accreditation responsibilities.
- M.** Involuntary assignments to non HFC campus sites shall be made to qualified teachers through inverse seniority.
- N.** All arrangements for substitutes for contractual or extra-contractual teaching shall be conducted through the Associate Dean and shall have the approval of the appropriate Vice President.
- O.** A Course Scheduling Audit Committee, consisting of equal representation from the Union and Administration, shall be established to review annually Department practices in the scheduling of courses, with the purpose of formulating recommendations to the College President designed to increase student enrollment, minimize the number of under-enrolled course sections, and maximize the efficient use of the human and physical resources of the Academic, Career, and Student Services Areas of the College.

XII. COUNSELING WORKLOAD

- A.** The normal workload for Counselors shall be thirty-five (35) hours per week. Thirty hours (30) shall be spent in student contact, e.g., individual and group counseling and student interaction through courses taught by Counselors. Two-thirds (0.66) (rounded) of the preparation and follow-up time for contractual load courses taught by Counselors shall be included in the calculation of thirty (30) student contact hours, and one-third (0.33) (rounded) shall be included in the five (5) hours of preparation and follow-up. Up to but no more than five (5) hours of the thirty (30) hours of student contact may be spent in outreach and liaison with area high schools, colleges, and corporate clients, exclusive of travel time. It is understood that in addition to the Counselor's thirty (30) hours of student contact, five (5) non-scheduled hours of preparation and follow-up per week are required.
- B.** In addition to the thirty (30) hours of student contact and five (5) hours of preparation/follow-up (30+5), Counselors shall be available for such official Faculty Organization, committee, and Departmental meetings as may be scheduled.
- C.** Counselors may volunteer to report for a period of five (5) consecutive work days (exclusive of Saturday, Sunday, and holidays) immediately prior to the beginning of a College semester and within the confines of the College Day (8:00 a.m. to 5:00 p.m.), in order to perform five (5) days of contractual work load responsibilities. A Counselor who so volunteers shall be granted a compensatory period of five (5) consecutive workdays during the semester at a time mutually agreed upon by the Counselor and Administration.

Should the Union and Administration concur that an insufficient number of Counselors have volunteered to participate under this provision, Counselors hired effective August 24, 1999, and thereafter may be required to work the periods of five (5) consecutive work days cited above. In any case where Counselors hired effective August 24, 1999, and thereafter are required to work under this provision, such Counselors shall have priority over volunteers in arranging with Administration a mutually agreeable compensatory period of five (5) consecutive work days.

XIII. NON-CLASSROOM WORKLOAD

- A. The normal workload for Librarians and teachers, other than Counselors, performing non-teaching responsibilities exclusively shall be thirty-five (35) hours per week.
- B. In addition to their thirty-five (35) hour workload, Librarians and teachers, other than Counselors, performing non-teaching responsibilities exclusively shall be available for such official Faculty Organization, committee, and Departmental meetings as may be scheduled.
- C. The Cooperative Education Specialist workload shall have as its goal the rendering of Cooperative Education services to one hundred and twenty (120) students during a regular semester. Should the Cooperative Education Specialist(s) not meet these goals over a period of three consecutive semesters, other responsibilities may be assigned as a portion of their workload by the President or designee, subject to the concurrence of the Union.

XIV. ELEVEN-MONTH ASSIGNMENTS

The following shall apply to the positions of Librarians, Career Services Officers, Counselors, Student Activities Officers, Learning Lab Coordinators, and Athletic Directors hired effective with the Fall 2016 semester and thereafter:

New full-time hires in these job titles may be placed on 10-month (34-week), 11-month (42-week), or 12-month (44-week) contracts at the discretion of Administration, subject to the following provisions:

- A. 35 hours per week shall constitute the full-time workload, as outlined in the Collective Bargaining Agreement.
- B. 11-month (42-week) contracts shall be compensated at 1.24 times the individual faculty member's 10-month (34-week) contractual salary compensation.
- C. 12-month (44-week) contracts shall be compensated at 1.3 times the individual faculty member's 10-month (34-week) contractual salary compensation.
- D. Salary lane placement shall be consistent with degree and experience.

- E. The 11-month contractual Work Year shall consist of 8 weeks in addition to the 17-week Fall and 17-week Winter Semesters (42 weeks).
- F. The 12-month contractual Work Year shall consist of 10 weeks in addition to the 17-week Fall and 17-week Winter Semesters (44 weeks).
- G. These 8 or 10 weeks of employment shall take place within the Spring Session or the Summer Session. These 8 or 10 weeks of employment may also take place within both Sessions, subject to the mutual agreement of the faculty member and administration.
- H. All contract provisions and benefits of the Collective Bargaining Agreement shall apply to 11-month and 12-month positions.
- I. The hiring process for an 11-month position or 12-month position shall parallel that employed by other Departments for 10-month positions, with equal representation of the faculty of the relevant Departments on the Selection Committee and with a minimum of two-thirds faculty on the Selection Committee.
- J. The purpose of the provision of such funds is to allow the opportunity for attendance at conferences which shall serve to enhance the professional competencies of the teacher and/or the quality of instruction to College students.

Travel Conference funds shall also be made available to teachers pursuing archival research within their professional areas of responsibility. A teacher requesting such funding shall provide the College with a description of the proposed research and its application to the professional responsibilities of the teacher.

The College President shall bear the responsibility to assure that the intent and the prospective product of the conference to which the attendance is requested, or the archival research to be pursued, appears to serve the purposes of this provision.

When the travel or conference is initiated by administrative request for the purpose of serving administratively determined ends, the provision of funds for such travel shall not deprive other full-time teachers of the travel-conference group of the opportunity to participate in conferences of their own choosing.

2. A teacher shall be eligible for grants from the Professional Improvement Fund in amounts of up to 1.2% (0.012) of the current Master's maximum salary per year. Grants shall be allocated to teachers according to College seniority on a rotating basis. The Eligibility List shall be revised annually by the Union on the basis of the following conditions. Teachers receiving grants of whatever sum in a particular year shall rotate

to the bottom of the Eligibility List in such a manner as to maintain among themselves their relative rank. This rotation shall take effect on November 1 of each contractual year. Newly hired teachers shall be added to the bottom of the Eligibility List as of the date of hire.

2. The rate for all contact hours or their equivalent in excess of thirty (30) regular semester contractual hours shall be the teacher's ECN rate 1/2250 of the teacher's 10-month contractual salary including longevity compensation).

3. Effective with the Fall Semester 2020 and thereafter, the rate for all contact hours or their non-contact teaching equivalent in excess of thirty (30) regular semester contractual hours shall be the teacher's ECN rate (1/2250 of the teacher's 10-month contractual salary including longevity compensation).
- C. Extra-contractual compensation in a given semester shall be paid in equal installments, beginning with the second paycheck in a given semester and ending with the last paycheck in a given semester.
 1. For a teaching assignment of less than a semester or Spring Session or Summer Session's duration, the appropriate extra-contractual compensation formula shall be employed, and compensation shall be paid on a current basis on scheduled payroll dates.
 2. At the start of any semester, a teacher may opt to receive the extra-contractual compensation of that semester in a lump-sum payment at the conclusion of the semester.
 - D. Effective with the Fall 2020 Semester and thereafter, non-teaching extra-contractual work requiring professional skill or responsibility of a recurring but occasional nature, such as advising and workshops, shall be compensated according to the following formula: the total number of clock hours per semester times (x) the teacher's ECN rate (1/2250 of the teacher's 10 month contractual salary including longevity compensation), for the equivalent of the first thirty (30) regular semester contact hours (960 clock hours), to be paid on a current basis on scheduled payroll dates. Hours in excess of the equivalent of the first thirty (30) regular semester contact hours in a contractual year shall be paid at one-half (0.5) the rate (1/4500 of the teacher's 10-month contractual salary including longevity compensation).
 - E. Effective with the Fall 2020 Semester and thereafter, teachers whose work is prescribed on other than a class contact hour basis who engage in their respective activities on an extra-contractual basis shall be compensated according to the following formula: the total number of clock hours times (x) the teacher's ECN rate (1/2250 of the teacher's 10 month contractual salary including longevity compensation), for the equivalent of the first thirty (30) regular semester contact hours (960 clock hours) to be paid on a current basis on scheduled payroll dates. The rate for hours in excess of the equivalent of the first thirty (30) regular semester contact hours in a contractual year shall be half the rate above (1/4500) of the teacher's 10-month contractual salary including longevity compensation.
 - F. Effective with the Fall 2020 Semester and thereafter, extra-contractual compensation for a non-credit assignment shall be determined according to the following formula: the total number of contact hours times (x) the teacher's ECN rate (1/2250 of the teacher's 10-month contractual salary including longevity compensation).
 - G. With respect to the number of extra-contractual teaching assignments during the course of a contractual year, a load equivalent to an assignment of thirty (30) regular semester contact hours is considered to be a desirable professional limit in the best interests of

students, the College, and teachers. Within the confines of this desirable professional limit, a teacher may select a Fall and/or Winter semester load up to and including ten (10) contact hours per week and a load up to and including twenty-five (25) contact hours per week per Spring Session or Summer Session, not to exceed the annual limit of 30 contact hours.

It is understood that honors teaching, "mini-courses," substitute teaching, portfolio assessment, data collection, non-credit courses, CEU courses, special assignments (internships, externships, etc.), extra-compensation assignments (prorated at a 2% (0.02) annual extra-compensation factor equivalent to one (1) contact hour), contracted training services paid by or through the College, workshops, and non-teaching extra-contractual work (two (2) hours equivalent to one (1) contact hour of teaching) are included within the confines of this desirable professional limit.

Exceptions to the limits on hours cited above may be made by the College President only after consultation with the Union.

- H. Effective with the Fall 2020 Semester and thereafter, extra-contractual compensation for a substitute teaching assignment of a week's duration or six (6) contact hours, whichever is less, shall be determined according to the following formula: the total number of contact hours times (x) 1.5 times (x) the teacher's ECN rate (1/2250 of the teacher's 10-month contractual salary including longevity). Extra-contractual compensation for a substitute teaching assignment of more than a week's duration or six (6) contact hours shall be compensated according to Article XXXVIII.A.
- I. The responsibility of filling substitute teaching assignments resides with the Administration. However, should a qualified teacher be teaching less than the desirable professional limit of extra-contractual contact hours, as cited in Article XXXVIII.G. said teacher shall be given priority in the filling of substitute teaching assignments. Substitutes shall be provided for the first instance of a teacher's absence in Skilled Trade and Apprentice Education or Corporate Training programs, only if required by a corporate contract.

Extra-contractual compensation for a substitute teaching assignment of a week's duration or six (6) contact hours, whichever is less, shall be determined according to the following formula: the total number of contact hours times (x) 1.5 times (x) the teacher's ECN rate (1/1125 of the teacher's 10-month contractual salary including longevity).

Extra-contractual compensation for a substitute teaching assignment of more than a week's duration or six (6) contact hours shall be compensated according to Article XXXVIII.A.

- J. When extra-contractual assignments are made, the following are the priorities which must be considered:
 - 1. Qualified teachers in the Department which is offering the assignment,
 - 2. Qualified full-time members of the Bargaining Unit,

3. Qualified Retirees of the Bargaining Unit.

The intent of this provision is to afford those individuals listed, in priority order, the maximum number of extra-contractual assignments possible within the semester and annual limitations of the contract. Should an extra-contractual assignment(s) be cancelled by the College, the affected individual shall be offered an alternative extra-contractual assignment(s), for which the individual is qualified, first from those individuals not listed in XXXVIII.J.1-3 yet having part-time/extra-contractual assignments and, if necessary, then from individuals listed in XXXVIII.J.3., XXXVIII.J.2., and XXXVIII.J.1. in that order.

Wherever possible extra-contractual assignments shall be made according to Article IV.A., with the advice of the teachers of the Department. Department policies for determining extra-contractual assignments shall be subject to review by the Union and Administration in order to assure an equitable distribution of extra-contractual opportunities.

XXXIX. EXTRA COMPENSATION

Extra-compensation positions shall be open for application every two (2) years, except for those positions for which full-time teachers were specifically hired. Applications, including that of the incumbent, shall be forwarded to the appropriate Vice-President in the Winter semester of second year of the term of office. For the purpose of computing the two-year terms, September 1989 shall be the base year.

XLII. GRIEVANCE PROCEDURE

A. Definition of Grievance

The term "Grievance" shall be interpreted to mean a complaint by a teacher or by the Union in its own behalf that: (1) there has been a violation, misinterpretation or misapplication of any provision of this Agreement, or (2) there has been a violation, misinterpretation or misapplication of written policies or procedures affecting the conditions of employment of teachers in effect from time to time. Whenever the term "teacher" is used, it may be interpreted as a plural.

B. Statement of Basic Principles

1. Every teacher or group of teachers shall have the right to present grievances in accordance with these procedures.
2. All discussions shall be kept confidential during procedural stages of the resolution of a grievance.
3. A teacher who participates in these grievance procedures shall not be subject to discipline or reprisal because of such participation.
4. Administrators have the responsibility to consider and take action promptly, within authority delegated to them, on grievances presented to them.
5. The failure of an administrator at any level to communicate a decision to the teacher or Union within the proper time limits permits the teacher to proceed to the next stage, within the limits provided, had the decision been rendered on time.
6. The failure of a teacher or the Union to appeal a decision to the next higher stage within the proper time limits shall constitute a withdrawal and shall bar further action on that teacher's grievance.
7. The teacher or group of teachers has a right to be present and to be represented, at the teacher's option. If the teacher(s) elects to be represented, the representative shall not be a representative of any teacher organization other than the Union.
8. When the grievance originates at an administrative level higher than Associate Dean, the teacher or the Union shall start the grievance at the appropriate written stage of the Grievance Procedure as designated herein.
9. In any instance where the Union is not represented in the Grievance Procedure, the administrator making the decision shall notify the Union, in writing, of the resolution of the grievance at each level. The Union may grieve any decision which would seem either to violate any term of the contract or to affect working conditions of the teachers in the Bargaining Unit.
10. Hearings and conferences held under this procedure shall be conducted at a time and place which shall afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. When such hearings and conferences are during College hours, all teachers whose presence is required shall be excused, with pay, for that purpose.

C. Grievance Procedure Process

1. Preliminary Stage

In the interest of maintaining harmonious relations, the aggrieved teacher is encouraged to have an oral conference with the Associate Dean or appropriate administrator upon discovery of the grievance and prior to initiating formal written grievance procedures.

The Union and College and Office of Human Resources shall meet prior to the formal stages of the grievance procedure to determine if the issue posing a potential formal grievance can be resolved prior to the formal stages of the grievance procedures. It is understood that such meetings prior to the formal stages of the grievance procedure shall not count toward timeline requiring the Union to file a formal grievance within twenty-three (23) working days of the discovery of the grievance. It is further understood that the Union may move to the formal grievance stage at its discretion at any point during this preliminary stage of the grievance procedure.

2. Formal Stages

First Written Stage, College Administration

- a. Any grievance shall be forwarded in writing to the respective Vice-President within whose jurisdiction the grievance occurred within twenty-three (23) working days of the discovery of the grievance.
- b. The Vice-President shall return copies of the grievance to the teacher and the Union with the Vice-President's decision in writing within ten (10) working days of the receipt of the grievance.

Second Written Stage, College Administration

- a. If the teacher or the Union is dissatisfied with the decision at the first stage, the teacher or the Union may refer the matter directly to the President by submitting a copy of the grievance and the decision returned to the teacher or the Union by the Vice-President within ten (10) working days of its receipt.
- b. The President or designee shall inform in writing the aggrieved teacher, the Union, and the Vice-President involved of the President's decision within ten (10) working days of the receipt of the grievance. The aggrieved teacher or the Union shall have the right to a conference with the President or designee, within this time limit.

Third Written Stage, Board of Trustees

- a. If the teacher or the Union is dissatisfied with the decision of the President or designee, the teacher or the Union may refer the matter to the Board within ten (10) working days after receipt of the decision of the President or designee by submitting a copy of the grievance and all previous decisions to the Chairperson of the Board of Trustees.
- b. Within thirty (30) days of the receipt of the grievance, the Board of Trustees shall meet to consider it. The aggrieved teacher or Union shall have the right to be

heard. The decision of the Board shall be communicated in writing to the teacher and the Union within five (5) working days of the formal action.

Final Stage, Arbitration

- a. If the Union is dissatisfied with the decision of the Board, the Union may refer the matter to arbitration by delivering written notice of its desire to arbitrate to the Chairperson of the Board within ten (10) working days after the Union's receipt of the decision of the Board. The arbitrator shall be selected, and the arbitration shall be conducted, under the rules of the American Arbitration Association. The fees and expenses of the arbitrator shall be shared equally by the Board and the Union.

- b. Binding Arbitration**

Any grievance falling under this Agreement (that is, any grievance which complains of a violation, misinterpretation, or misapplication of any provision of this Agreement) shall be subject to final and binding arbitration. The arbitrator shall confine the opinion to the sole question of whether or not there has been a violation, misinterpretation or misapplication of any provision of this Agreement. The arbitrator shall give no opinion with respect to any matter left by this Agreement or by law to the discretion of the Board or Administration. The arbitrator's award shall be final and binding upon its delivery to both of the parties.

- c. Advisory Arbitration**

Any grievance, other than a grievance under Final Stage, Arbitration **b.**, shall be subject to advisory arbitration. The arbitrator shall confine the opinion to the sole question of whether there has been a deviation from or misinterpretation or misapplication of written policies or procedures affecting the conditions of employment of teacher in effect from time to time. The arbitrator shall give no opinion with respect to any matter left by this Agreement or by law to the discretion of the Board or Administration.

The arbitrator's award shall become final and binding on the fifteenth (15th) day following its delivery to both of the parties, unless prior to such fifteenth (15th) day, either party gives written notice to the other party of its desire that the award not be final and binding. If such written notice is timely given, the award shall not become final and binding but shall be advisory.

- d.** The arbitration clause of this grievance procedure shall not be used to resolve impasses in the negotiation of a successor Collective Bargaining Agreement.

3. Time For Implementation

Any agreement reached through the Grievance Procedure must be implemented as soon as conditions and circumstances make possible. When conditions and circumstances permit, such a decision shall be implemented within thirty (30) calendar days.

D. Matters Not Subject to Binding Arbitration

Notwithstanding any of the foregoing provisions, the parties expressly agree as follows:

1. The denial of tenure shall not be subject to review through the Grievance Procedure. Action brought against a teacher under Article VI.D., E., F. (paragraph 1) of the Tenure Provision of this contract.
2. Any grievance arising out of the Faculty Organization Handbook, the Staff Handbook of Administrative Regulation, the Board Policy Book, or the Constitution for the Faculty Organization of Henry Ford College shall not be subject to final and binding arbitration but shall remain subject to advisory arbitration.

XLIII. SUCCESSOR AND ASSIGNS

This agreement shall be binding on any and all successors and assigns of the Employer, whether by sale, transfer, merger, acquisition, consolidation, or otherwise. The Employer shall make it a condition of any transfer that the successor or assigns shall be bound by the terms of this Agreement. The Employer shall continue to be liable for the complete performance of this agreement until the successor or assigns expressly agrees in writing that it is completely bound by the terms of this agreement.

Any resolution adopted for the purpose of initiating, authorizing, or approving the sale, transfer, or surrender of the assets of the College to any successor shall contain the following provisions:

"This resolution shall not be valid unless the purchaser or transferee provides an express written promise to assume all the rights and duties of the collective bargaining agreement between the Henry Ford Community College Federation of Teachers, AFT Local 1650, and the Henry Ford College Board of Trustees/Dearborn Board of Education."

XLIV. WAIVER OF BARGAINING

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties, after the exercise of that right and opportunity, are set forth in this Agreement. Therefore, the Board and the Union, for the life of this Agreement, voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement. The parties may, however, by mutual agreement, negotiate on any item both deem to require negotiation.

XLV. CONFORMITY TO LAW CLAUSE

This Agreement is subject in all respects to the laws of the State of Michigan with respect to the powers, rights, duties, and obligations of the Board, the Union, and teachers in the Bargaining Unit. In event that any provision of this Agreement shall at any time be held to be contrary to

law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time for doing so, or if any provision of this Agreement shall at any time be changed or voided by legislation, such provision(s) shall be void and inoperative. However, at the option of either party to the contract, the specific provision, thus voided, and that provision only, shall be immediately subject to negotiations. All other provisions of this Agreement shall continue in effect.

XLVI. MATTERS CONTRARY TO AGREEMENT

This Agreement shall supersede any rules, regulations, or practices of the Board which are contrary to or inconsistent with its terms. It shall, likewise, supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All individual teacher contracts shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established personnel policies of the Board affecting teachers.

XLVII. DURATION OF CONTRACT

This Agreement shall be effective on August 25, 2020, and shall continue in full force and effect until August 21, 2023. At any time subsequent to February 1, 2023, either party may give written notice to the other of its desire to negotiate a new agreement for the following year, and meetings between the parties for that purpose shall begin no later than twenty (20) days after delivery of such written notification, provided, however, that nothing in this paragraph or elsewhere in this Agreement shall be construed to require the Board to commit an unfair labor practice or otherwise violate the law by any improper recognition of or support or assistance to the Union. In connection with final settlement of negotiations on the 2020-2021, 2021-2022, 2022-2023 HFC Board of Trustees and HFCC-FT contract, it is understood and agreed that the attached calendars shall be the official College calendars for 2020-2021, 2021-2022, 2022-2023.

IN WITNESS WHEREOF, the parties have executed this document by their duly authorized representatives this 20th day of August 2020.

Statement of Agreement – Voluntary Employee Separation Agreement (VESP)
2020 VOLUNTARY EMPLOYEE SEVERANCE PROGRAM

The parties agree to implement a Voluntary Employee Severance Program (“VESP”) as described as follows:

Objective

Henry Ford College (“HFC”) has adopted the Voluntary Employee Severance Program (“VESP”) to afford eligible employees the opportunity to leave voluntarily in exchange for the payment of benefits.

Qualifications and Exclusions

- A. An eligible employee who wishes to apply for the VESP and receive payments must:
1. Voluntarily elect to resign under the VESP by properly completing the “Application for Enrollment” prescribed by HFC and filing it with the HFC Office of Human Resources. The application must be received by the Office of Human Resources no later than 4:00 p.m. on August 27, 2020, for those employees who plan to resign before the start of the Fall 2020 semester and no later than 4:00 p.m. on September 11, 2020, for those employees who plan to resign on December 31, 2020, after the Fall 2020 semester.
 2. Sign, submit, and not revoke, the “Release and Waiver of Claims Agreement” (prescribed by HFC) by August 27, 2020, for those employees who plan to resign before the start of the Fall 2020 semester. For those employees who plan to resign on December 31, 2020, after the Fall 2020 semester, sign, submit, and not revoke, the “Release and Waiver of Claims Agreement” within the 45-day review period as provided therein which starts from August 18, 2020.
 3. Complete the “Beneficiary Designation Form” (prescribed by HFC) and submit it on the same date in which the “Release” noted in 2 above is submitted.
 4. The VESP payment is not made unless the eligible employee has executed, submitted, and not revoked the “Release and Waiver of Claims Agreement,” and the 7-day revocation period after signing this Agreement has expired.
- B. By submitting an “Application for Enrollment” by August 27, 2020, and signing and not revoking the “Release and Waiver of Claims Agreement” (“Release”), the instructor will have agreed to voluntarily resign from Henry Ford College (“HFC”) no later than August 27, 2020 for those instructors who will not be teaching in the Fall 2020 semester, except to the extent retention rights are exercised, as described below.
- C. By submitting an “Application for Enrollment” by September 18, 2020 and by signing and not revoking the “Release and Waiver of Claims Agreement” (“Release”) which is due by October 5, 2020, the instructor will have agreed to voluntarily resign from Henry Ford College (“HFC”) no later than December 31, 2020 for those instructors who will be teaching in the Fall 2020 semester, except to the extent retention rights are exercised, as described below. Since the instructor will have taught

during the Fall 2020 semester, they will receive 50% of their annual base pay and any earned extra-contractual pay.

An individual instructor's VESP shall be null and void unless an "Application for Enrollment" is received by the HFC Office of Human Resources no later than 4:00 p.m. on August 27, 2020 for those employees who will resign before the Fall 2020 semester or by September 18, 2020 for those employees who will resign by December 31, 2020 who will teach in the Fall 2020 semester.

- D. HFC reserves the right to retain any instructor that has submitted an "Application for Enrollment" for up to three (3) semesters (i.e., Fall 2020, Winter 2021, and Fall 2021) beyond the general August 27, 2020, severance deadline. This retention decision will be based on HFC's educational and operational needs. In cases of retention, VESP payments will be made in a lump sum or commence on the following dates, with any installment payments being made on the first and second anniversary of the first payment.

Fall 2020 Semester resignees: January 15, 2021

Winter 2021 Semester resignees: January 15, 2022

Fall 2021 Semester resignees: January 15, 2023

Eligibility

All current full-time (as defined under the HFCC-FT labor agreements), instructors shall be eligible to participate in the VESP provided the instructor has achieved Step 9 or higher on the Local 1650 salary schedule as of the last day of the 2019-2020 contractual year ("Eligible Employees"). Instructors presently on approved leaves of absence, disability, workers' compensation, or who otherwise qualify may take advantage of the VESP plan.

Benefits

- A. Eligible Employees who submit an "Application for Enrollment" and otherwise complete all necessary conditions, will receive VESP payments equaling \$50,000. This amount shall be paid in three (3) installments on December 15, 2020, January 15, 2022, and January 15, 2023.
- B. In the event a VESP participant dies before the end of the term of the benefits to be paid pursuant to the VESP expires or during a retention period, monetary benefits of the VESP will continue to be paid to the Primary Beneficiary designated on the "Beneficiary Designation" form properly completed and submitted to HFC, with the "Application for Enrollment." In the event the Primary Beneficiary is not alive at the time of the VESP participant's death, payments will instead be made to the Contingent Beneficiary[ies] designated on the "Beneficiary Designation" form properly completed and submitted to HFC. Payment to the Primary Beneficiary or Contingent Beneficiary[ies] will cease at the end of the benefit term of the VESP.
- C. Eligible employees, as defined by the VESP, who request to participate in the VESP must sign the release form provided by HFC, indicating that they voluntarily chose to resign, and in exchange for the receipt of severance benefits, agree not to take any action against HFC, the Board and/or the employee's bargaining unit for any claims that may result from and/or be related to their severance and/or employment with HFC, and the revocation period must expire without the employee exercising the right to revoke.

- D. Any employee who leaves under this plan, along with their spouse and dependent[s] will no longer be entitled to receive any fringe benefits paid by HFC (including hospitalization, life insurance, dental, optical, long-term disability, short-term disability, or accidental death and dismemberment benefits or coverage) as of the last day of the month in which employment is severed. All resigning employees and eligible spouses and dependent[s] will be given the option to purchase hospitalization, dental, and optical continuation coverage under COBRA as required by law.

Additional Conditions

In consideration of benefits to be received pursuant to the VESP, employees waive (effective on the date of their severance from HFC service) all future rights to full-time employment, all entitlement to any future increases in benefits or wages and agree not to reapply for full-time employment with HFC except at the request, and upon approval from HFC.

An employee who chooses to participate in the Voluntary Employment Severance Program shall be required to execute the following documents:

1. Release and Waiver of Claims Agreement,
2. Application for Enrollment, and
3. Beneficiary Designation Form.

Additional Information

HFC cannot provide legal or other advice concerning whether an instructor should participate in the VESP. An instructor should consult independent legal counsel for advice.

Statement of Agreement COVID Community Service 2020-2021, 2021-2022, 2022-2023

Contractual Community Service shall be waived for the 2020-2021 and 2021-2022 contractual years. Contractual Community Service may be waived for the 2022-2023 contractual year should relevant government and health officials determine that the status of the COVID-19 pandemic should prohibit community service.

Statement of Agreement Professional Improvement Fund

Since the COVID pandemic has resulted in a significant under expenditure of Professional Improvement Funds during the 2020-21 contractual year, the parties agree that all outstanding Tuition Fund obligations shall be paid to affected faculty through the 2020-2021 contractual year.

Statement of Agreement Faculty Credentials

The parties hereby agree that the following shall apply with respect to the Higher Learning Commission's (HLC) Faculty Credential Standards.

1. Such HLC standards shall apply to all new faculty hires at the time of hire at the College effective with the Fall 2016 semester.
2. Proposed tested experience policy(ies) shall be subject to review by the Senate and Faculty Organization and subject to the approval of the College and Union.
3. Faculty hired prior or subsequent to the Fall 2016 Semester shall be provided three (3) years to meet changes in HLC credential and/or tested credential requirements.
4. Faculty in need of additional graduate credit, licensure, or certification shall inform their Associate Deans and Union Area Representatives of their progress in meeting HLC requirements each semester.
5. For incumbent faculty, Administration will no longer require official transcripts of associate's or bachelor's degrees from faculty in Communications, Math and Science, Social Science, Arts and Fitness and Business and Computer Technology, unless required by the HLC to teach specific classes. Official transcripts of all degrees from faculty in Health Sciences and Industrial Technology will still be required.
6. Should HLC credentialing requirements require a teacher to complete a Master's degree, to complete graduate credit hours beyond the Master's Degree, or secure licensure or certification in a discipline, the teacher may apply for reimbursement of tuition, fees, and book expenses related to HLC required degree or credit hours which are incurred at a Michigan public institution of higher education or a license or certification from an entity approved by the College and Union as follows.

HLC related expenses shall have priority in the second Professional Improvement Fund (PIF) draw, to be paid in equal sums to applicants until such funds may be exhausted or all expenses are covered. Reimbursement shall be paid upon submission of an official transcript citing successful completion of the relevant degree or credit hours or documentation confirming successful licensure or certification meeting HLC credentialing requirements.

Should HLC related expenditures still remain unreimbursed in any contractual year, the College shall reimburse the remaining HLC credentialing expenditures.

Should HLC require credentialing in a subset of a discipline, it is understood that the College agrees to challenge such requirement. Should the College not prevail in such challenge, the College and Union shall negotiate reimbursement of expenditures related to a "subset" requirement of the HLC.

**Statement of Agreement – Extra Week of Pay
August 19, 2020**

The parties hereby agree that one week of contractual pay, based on the lane and step of the 2019-2020 contract, shall be paid no later than October 15, 2020, to each member of the HFCC-FT, AFT 1650, for preparing to convert work to deal with the COVID-19 crisis during the Winter 2020 Semester. Said week is in addition to the contractual 16-week Winter 2020 Semester and will be calculated at 1/32nd of the instructor's annual base contractual pay.

In addition, members who taught the extra contractual (EC) assignments during the Winter 2020 Semester shall receive 5 days of EC compensation based upon an annual 24-hour EC contractual load based on the 2019-2020 rate at the MA+30. For example, the 24 hours would be multiplied by 16 which is equal to 384. The 384 is then divided by the ECT rate of 1427. The result is multiplied by the MA+30 maximum which is then multiplied by .0053 (Annual Daily Rate) times 5 days. (384/1427 times \$102,352 times .0053 times 5 equals \$729.88).

Statement of Agreement – Degree/Certificate Granting Program

It is the intention of the Administration to devote further resources to supporting teachers responsible for coordination and assessment of degree and certificate granting programs that require significant oversight each semester.

Statement of Agreement – Evaluation Processes

The parties agree to form a joint committee to study the nature and scope of the roles that Faculty and Administration currently play in the evaluation processes for probationary and tenured faculty, resulting in a report for the Board of Trustees.

Community Service Overview

**CONSTITUTION FOR THE FACULTY ORGANIZATION
HENRY FORD COLLEGE**

I. PRINCIPLES

- A.** The basic functions of a college are to preserve, augment, criticize, and transmit knowledge and to foster creative capacities. These functions are performed by a faculty which must be free to exercise independent judgment in the planning and execution of its educational responsibilities.
- B.** Three groups play the most important roles in the government of American colleges and universities: faculties, administrations, and governing boards. The roles of these groups must be defined.
- C.** The development of college and university teaching as a profession has produced a scholarly community of talent fully qualified for an active and responsible part in institutional government. The faculty, which is entrusted with primary tasks for which educational institutions are organized, is the essential participant, by virtue of its particular competence, both in recommending and in carrying out decisions on College educational policy, as determined by the Board of Trustees and the President.
- D.** The three responsible agents -- faculty, administration, and governing board -- should endorse the principle of joint responsibility and endeavor to work out a judicious balance in the area of their collective responsibilities, with the understanding that nothing in this document shall be construed to deny the Board of Trustees (the "Board") or any administrative officers any of the powers or responsibilities vested in them by law or by action of the Board.

II. FACULTY ORGANIZATION ROLE AND OPERATING STRUCTURE

A. Faculty Organization Role

The Faculty Organization shall be a deliberative body with powers to initiate, approve, amend, or reject recommendations relative to academic policy. All academic policy recommendations shall be vested in the Faculty Organization, subject to limitations stipulated in Article I.D. addressing the authority of the Board of Trustees and Article VII addressing the authority of the HFCC-FT Collective Bargaining Agent. Any action of the Academic Council, the Coordinating Council, or the Operations Council (herein referred to as the "Councils") and other College committees and groups relative to academic policy shall be subject to approval by the Faculty Senate and the Faculty Organization, which shall have the authority of approving and forwarding all academic policy recommendations to the President.

B. Faculty Organization Operating Structure

- 1.** The Faculty Organization shall consist of all full-time faculty and current adjunct faculty.

2. All meetings of the Faculty Organization shall take place during the Fall and Winter Semesters, with the date and time published at least fourteen calendar days preceding the meeting. Meetings of the Faculty Organization shall take place August, January, and May of each College year, and on other occasions if approved by the Senate. Those in attendance at a duly called meeting of the Faculty Organization shall constitute a quorum.

Special meetings of the Faculty Organization may be called by the Faculty Senate and/or at the request of the President and/or the Board to address time sensitive issues of academic policy. A two week notice of the meeting shall be provided. A good faith effort shall be made to avoid meetings during the spring and summer terms or at times that conflict with faculty teaching schedules.

3. Voting at meetings of the Faculty Organization shall be limited to those qualified to vote and in attendance at the meeting and shall typically be by voice vote. A hand count, a standing count, or paper ballot vote, if requested by any member of the Faculty Organization in attendance, shall be conducted. Voting on matters before the Faculty Organization shall be limited to all full-time faculty and a number of elected adjunct faculty delegates equal to one-half of the number of full-time faculty, as reported by the Office of Human Resources at the time of the election of adjunct faculty delegates. Adjunct faculty delegates shall be elected annually in Senate conducted elections during each Winter Semester, with adjunct delegate status effective the following August 1.
4. The representation and the voting weight of adjunct faculty in Division and/or Department meetings shall be determined by the Academic Affairs Leadership Council, provided that the voting strength not exceed one-half of the number of full-time faculty members of the Division and/or Department. The representation and the voting weight of adjunct faculty in Division and/or Department committees shall be determined by the Division and/or Department.

III. FACULTY SENATE ROLE AND OPERATING STRUCTURE

A. Role of the Faculty Senate

1. The Faculty Senate of Henry Ford College is an instrument of shared governance, subject to the limitations stipulated in Article I.D. addressing the authority of the Board of Trustees and Article VII addressing the authority of the HFCC-FT Collective Bargaining Agent.
2. The Faculty Senate shall have the responsibility for recommending academic policies of the institution, subject to approval by the President, the Board of Trustees, and other appropriate government agencies and officers. This principle has been expressed in the policies of the Board of Trustees. Nothing in this document shall be construed to deny the Board of Trustees or any administrative officers any of the powers or responsibilities vested in them by law or by action of the Board of Trustees.

3. The faculty shall share responsibility with the President in recommending academic policies to the Board of Trustees in such fundamental College educational matters as:
 - a. Academic policy relative to subject matter and methods of instruction, such as but not limited to:
 - Course structure, pedagogy, and duration;
 - Course and program prerequisites;
 - Curriculum and course preparation and assignments.
 - b. Academic policy such as but not limited to:
 - Standards for admission of students;
 - Academic progress, conduct, probation, and dismissal;
 - Granting of degrees and licenses of proficiency;
 - Grading;
 - Withdrawal;
 - Academic appeal;
 - Program requirements;
 - Graduation requirements;
 - Degree and certificate requirements;
 - Placement testing;
 - Student attendance.
 - c. Those aspects of student life that relate directly to the educational process;
 - d. Development of programs and courses;
 - e. The provision of academic extension services to the community;
 - f. Student and faculty awards and honors;
 - g. Assumption by the institution of academic research or academic service obligations to private or public agencies.
4. The faculty shall share responsibility and attempt to reach consensus with the Academic Council in recommending policies to the President and Board of Trustees, in matters such as but not limited to:
 - a. Major changes in the size of the student body;
 - b. The establishment of new schools or divisions;
 - c. The provision of extension services to the community;
 - d. Assumption by the institution of research or service obligations to private or public agencies;
 - e. Facilities and support for research of faculty members and students;

f. Adding, curtailing or eliminating programs.

In the absence of consensus, the Faculty Organization and the Academic Council may submit their respective recommendations.

5. Any College committee, such as but not limited to steering committees, task forces, and Continuing Process Improvement (CPI) teams, which is charged with developing proposals relative to academic policy within the purview of the faculty, as cited above in this provision, shall consist of at the least a number of faculty members, including at least one adjunct faculty member, equal to the number of non-faculty members serving on the committee. All faculty members serving on such a committee shall be selected through a Senate conducted election or appointed directly by the Senate. The proposals of any such committee relative to academic matters shall be subject to review and approval by the Faculty Senate and qualified voting members of the Faculty Organization prior to being forwarded to the President for approval and the Board of Trustees for final approval.
6. The faculty shall share responsibility and attempt to reach consensus with the Operations Council in recommending to the President and Board of Trustees policies related to planning for additional physical facilities. In the absence of consensus, the Faculty Organization and the Operations Council may submit their respective recommendations.
7. The allocation of resources among competing demands has important implications for the educational responsibilities that are the primary concern of the faculty.

Faculty shall be involved in important developments in administrative planning and funding for educational purposes, including operational expenditures and capital expenditures; shall be consulted on major issues of academic policy involved in such developments; and shall have means through committees or other organized procedures to express its views on major issues of academic policy affecting current or projected College budget decisions affecting academic policy.

8. The Senate shall appoint three full-time and three adjunct faculty to the Academic Council, which shall consult with the Senate regarding Senate academic policy recommendations. Such faculty members shall be selected through a Senate conducted election or appointed directly by the Senate. These appointees shall serve three year terms and shall be eligible for reappointment. The Academic Council shall be chaired by the Vice-president for Academic Affairs and the Senate Chairperson.
9. The Senate shall appoint two full-time and two adjunct faculty to the Coordinating Council. Such faculty members shall be selected through a Senate conducted election or appointed directly by the Senate. These appointees shall serve two year terms and shall be eligible for reappointment.
10. The Senate shall appoint one full-time and one adjunct faculty to the Operations Council. Such faculty members shall be selected through a Senate conducted election

or appointed directly by the Senate. These appointees shall serve two year terms and shall be eligible for reappointment.

B. Faculty Senate Operating Structure

1. Membership on the Senate is open to any full-time faculty member or to any adjunct faculty member who qualifies for voting membership in the Faculty Organization.
2. The Senate shall consist of no more than seventeen members, consisting of seven full-time faculty; seven adjunct faculty; and two full-time faculty members and one adjunct faculty member elected at-large in Senate conducted elections. At least one full-time faculty member and one adjunct faculty member shall represent each Division at the College.

For the purposes of representing divisions on the Faculty Senate, the Counseling and Advising Division, the Teaching and Learning Services Division, and faculty who qualify for membership in Faculty Organization but who are not formally associated with a division shall be considered as one division.

Elections will be conducted in March; terms shall be for three years to begin the following Fall Semester. Should any Senate position become vacant, it shall be filled through a Senate supervised election for the appropriate body.

3. Every five years the Senate shall review the representative structure of the Senate and shall reapportion if necessary.
4. The Chairperson of the Senate shall be elected to a one-year term by the Senate from its full-time faculty members. The Chairperson may serve two consecutive one year terms and may serve an additional term(s), provided a one year interval follows any two consecutive terms as Chairperson.
5. The formal method of initiating or altering action in academic policy in which the faculty has responsibility as defined under this Constitution, subject to review and approval by the President and Board of Trustees, shall be by Senate recommendation, with adoption in regular or specially called meetings of the Faculty Organization. The Senate shall inform the Coordinating and Academic Councils of any Senate recommendation at least three weeks prior to consideration by the Faculty Organization.
6. The Senate shall undertake studies on its own initiative or may do so as a consequence of requests brought to it by individual faculty members, by College committees, by the Councils, or by members of the administration.
7. The Senate shall assign tasks to Senate standing committees. Committees shall report to the Senate when their deliberations involve policy.
8. The Senate shall call meetings of the Faculty Organization when necessary to report, to secure the Faculty Organization's approval of a measure, or to request its direction.

9. The Faculty Senate shall hold open meetings on a regular basis, usually monthly, as determined by the Senate at the beginning of each academic year. The Senate Chairperson or one-third of Senate members may call for a special meeting as needed. Agendas will be published in advance. Any member of the College Community may attend meetings of the Faculty Senate, comment on items on the agenda, or make recommendations for future agenda items. The Senate may limit the duration of a non-member's comments to three minutes and the cumulative duration of all non-member comments to one-half hour.

IV. FACULTY SENATE COMMITTEES

- A. Standing committees are created and discharged by the Faculty Senate. The Faculty Senate shall be represented on task forces and ad hoc committees that may be formed by the President or other governance entities.
- B. The work of standing committees is recommendatory. Committee recommendations dealing with academic policy shall be reviewed by the Senate. The Senate shall review, approve, amend, or reject standing committee recommendations, as well as recommendations of the Academic Council and the Coordinating Council, in formulating academic policy recommendations for consideration by the Faculty Organization. Questions of interpretation of established academic policy shall be referred to the Senate.
 1. Membership on standing committees shall be voluntary.
 2. Unless approved otherwise by the Senate, the Chairperson of each standing committee shall be a full-time faculty member, elected by the committee.
 3. Each standing committee shall determine its own attendance and quorum policy.
 4. The Senate annually shall review the committee structure to consider the enlargement or reduction of the number and size of committees and the redefinition of committee assignments.

V. POLICY APPROVAL PROCEDURE

- A. Recommendations regarding new academic policies or academic policy changes or recommendations on matters otherwise authorized within this Constitution shall be forwarded to the Senate by individuals, standing committees, divisions, the Academic Council, Coordinating Council, Operations Council, task forces, CPI teams, or other sources.
- B. The Senate may approve, amend, reject, or forward without approval recommendations regarding new academic policies, academic policy changes or recommendations on matters otherwise authorized within this Constitution in existing academic policies to the Faculty Organization.
 1. Copies of recommendations which are to be submitted to the Faculty Organization must be forwarded by the Senate to the initiating body and the President at least three weeks prior to a meeting of the Faculty Organization.

2. If the President, the Councils, or the initiating body desires to discuss such recommendations with the Senate, a meeting may be called by the Chairperson for that purpose.
 3. Copies of recommendations which are to be submitted to the Faculty Organization must be forwarded by the Senate to the Faculty Organization at least one week prior to its meeting.
- C. If a recommendation of a standing committee, a division, or one of the Councils is rejected by the Senate and that initiating body repasses the recommendation, the Senate shall again consider the measure and forward it to the Faculty Organization. The Senate shall have the option of advocating an alternate proposal.
 - D. If such a recommendation is approved by the Faculty Organization and the President, the Board of Trustees shall be apprised of the agreement.
 - E. The President shall have 21 calendar days in which to accept or decline a recommendation regarding: (1) a new academic policy, (2) a change in current academic policy, or (3) other matters addressed in this Constitution. Should the President decline the recommendation of the Faculty Organization, the Senate shall be notified of the reasons in writing.
 - F. The Faculty Senate shall review the decision of the President, and may: (1) return the original recommendation to the Faculty Organization for further consideration, (2) revise the recommendation and resubmit it to the Faculty Organization and President, or (3) recommend to the Faculty Organization that it appeal the President's decision regarding the original or revised recommendation to the Board of Trustees.
 1. The Faculty Organization may pass a revised recommendation with a majority of qualified voters, and the President shall be apprised of the new recommendation.
 2. The Faculty Organization may vote to appeal the President's decision regarding the original or revised recommendation to the Board of Trustees by a two-thirds majority of faculty qualified to vote and in attendance.
 - G. Whenever the President's decision regarding: (1) a new academic policy, (2) a change in current academic policy or (3) other matters addressed in this Constitution is appealed, the matter shall be submitted to the Board of Trustees for final determination.

VI. SELECTION OF COLLEGE PERSONNEL

- A. Faculty appointments, reappointments, promotions, and actions resulting in tenure should require the active participation of the faculty and administrators who directly supervise the faculty involved. Each division should publish the manner in which this will be done.
- B. Because College academic and student support administrators have an important role in the formation of educational policy and are charged with transmitting the views of their respective groups to the Board of Trustees, care should be taken that all such persons

should have the confidence of the faculty and normally be qualified for faculty membership by education, experience, and continuing interest in teaching.

1. In the selection of the College President, a committee shall be created by the Board of Trustees for the purpose of screening and recommending candidates. Faculty membership of this committee shall include a Faculty Senate member and four full-time and two adjunct faculty elected at-large in a Faculty Senate conducted election, with at least one full-time faculty member representing each area of the College: Arts and Sciences, Career and Technical Programs, and Student Affairs.
2. A committee shall screen and recommend candidates for the positions of Vice-president of Academic Affairs and Vice-president for Student Affairs. The committee shall be composed of four full-time faculty and two adjunct faculty members selected in a Senate conducted election, three of whom must be from the area to be administered, and up to six administrators appointed by the administration.
3. Candidates for the positions of Divisional Associate Dean and Department Chairperson shall be limited to those having full-time status at the College and shall be elected for a three-year term by members of their respective divisions. If no candidates stand for election, a committee, consisting of four full-time faculty and two adjunct faculty elected from the Division and up to four administrators appointed by the President, shall screen and recommend external candidate(s) for the position of Associate Dean and Department Chairperson to the President. Upon resignation, retirement, transfer, or termination of such external candidate, the Division shall then elect a new person from among internal candidates. The administration shall involve faculty in the evaluation of Divisional Associate Deans and Department Chairpersons.
4. In the selection of the Director of Human Resources or an administrator, excluding Associate Deans and Department Chairs, within Academic Affairs, the composition of the selection committee shall include three full-time and one adjunct faculty, selected in a Senate-conducted election, and no more than four appointees selected by administration.
5. In the selection of a Director or Executive Director, outside of Academic Affairs, the composition of the selection committee shall include two full-time and one adjunct faculty, selected in a Senate-conducted election, and appointees as selected by administration.

Should the responsibilities of such a Director or Executive Director entail the supervision of faculty and/or the implementation of academic policy, the composition of the selection committee shall include two full-time and one adjunct faculty, selected in a Senate conducted election, and appointees as selected by administration not to exceed the number of faculty serving on the committee.

6. Faculty vacancies on selection committees shall be filled in Senate-conducted elections whenever possible. In the event that a sufficient number of faculty is not available to hold an election (e.g., Spring or Summer Session), the Senate is empowered to make appointments to such committees.

7. Provision shall be made for faculty consultation through the Senate in the creation or modification of any academic administrative position or non-academic administrative position at the director level or above. Once established, such positions shall be filled as prescribed in the appropriate category.

VII. COLLECTIVE BARGAINING AGENT

Nothing included in this document shall be interpreted as inhibiting or interfering with, in any way, the legal status or legal function of the duly designated HFCC-FT sole bargaining agent as the exclusive representative of all the employees in such unit, for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other conditions of employment; nor will anything herein take precedence over results of negotiations with the HFCC-FT sole bargaining agent.

VIII. CONCLUSION

Organization and procedures are only the means by which governing boards, administrative officers, and faculties fulfill their responsibilities, give an institution of higher education its special character, and accomplish its goals. Academic freedom, professional integrity, competence, and the advancement of learning are also concerns of the Board of Trustees, administration, and faculty.

IX. AMENDMENT PROCEDURES

Amendment to the Faculty Organization Constitution, Faculty Organization By-laws, Faculty Senate Constitution, and Faculty Senate By-laws.

- A. A Constitutional or By-law amendment, subject to the limitations of Article I.D. addressing the authority of the Board of Trustees and Article VII addressing the authority of the HFCC-FT Collective Bargaining Agent, may be initiated in writing to the Faculty Senate Chairperson by any member of the Faculty Organization or the President.
- B. After 21 calendar days' notice, a meeting of the Faculty Organization shall be called, within the Fall or Winter Semesters, by the Chair of the Senate to vote upon the proposed amendment. A two-thirds vote of those qualified to vote and in attendance at the Faculty Organization meeting shall constitute passage of the amendment, upon which the amendment shall be forwarded to the President for approval, provided the proposed amendment is in accordance with Article VII, the Collective Bargaining Agent article of this Constitution.
- C. Any provision or amendment of any College governance document, emanating from any source, that affects the roles or governance structures of the Faculty Organization or the Faculty Senate, including the process of recommending academic policies to the President or the process of submitting an appeal to the Trustees, must be approved by qualified voting members of the Faculty Organization and the President.
- D. The President shall have 21 calendar days in which to accept, decline, or revise the proposed amendment. Should the President choose to revise or decline the proposed amendment, the Senate shall be notified in writing of the reasons.

- E.** The Faculty Senate shall review the decision of the President, and may: (1) return the original proposed amendment to the Faculty Organization for approval or further consideration, (2) revise the proposed amendment and resubmit it to the Faculty Organization and President, or (3) recommend to the Faculty Organization that it appeal the President's decision regarding the original proposed amendment to the Board of Trustees.

The Faculty Organization may appeal the President's decision to the Board of Trustees with a two-thirds majority vote by those qualified to vote and in attendance at a Faculty Organization meeting. Voting shall be limited to those who qualify for membership in the Faculty Organization and who are in attendance at the meeting. The Board of Trustees' determination is final.

- F.** Any alteration of the roles and structures of the Faculty Senate or Faculty Organization is subject to Article VII, the Collective Bargaining Agent article of this Constitution.
- G.** It is understood, in accordance with the HFCC-FT Collective Bargaining Agreement, that no changes or amendments to the Constitution and/or By-laws of the Faculty Organization shall be made without the mutual agreement of the parties to the HFCC-FT Collective Bargaining Agreement and that grievances arising from changes or amendments to the Constitution, without mutual agreement of the Union and College, shall be subject to binding arbitration provision of the contract. It is further understood that grievances regarding violations arising from existing provisions of the Constitution, By-laws of the Constitution, and procedures outlined within the Constitution shall be subject to the advisory arbitration provision of the contract.
