YOUR BENEFIT GUIDE

Welcome! This guide is designed to provide you with an overview of your benefit options. You have the ability under the Henry Ford College benefit plan to customize your benefits to meet the needs of you and your family.

Which benefits are right for you and your family? The choice you make can impact your future. To help you with this important decision, we are providing this guide. This is important benefit information for you and your family. Please take the time to read this information carefully to ensure you are well acquainted with your benefit options.

ANNUAL ENROLLMENT

There is an annual enrollment period held each fall for the benefit programs that Henry Ford College offers. During this time, you can review and revise your elections as necessary to best meet the needs of your family.

Enrollment is conducted using BenXpress, Henry Ford College’s online enrollment system.

When you are ready to enroll, please go to www.benxpress.com/hfcc. The first time that you log in your User ID will be the first initial of your first name and your entire last name. (For example, if your name is John Smith, your User ID is jsmith). Your Password will be the last 6 digits of your social security number. You will have the opportunity to change your Password after your initial login.

BenXpress is available 24 hours a day, 7 days a week during the annual enrollment period. This year's annual enrollment period will be from Monday, November 15, 2021 to Monday, November 29, 2021. You may log into the system and make changes as often as you choose during this time. The last changes you make before the end of the enrollment period will be your final elections.
INITIAL ELIGIBILITY PERIOD

Newly eligible employees will become a participant in the Plan on the first day of the month following your date of hire.

Enrollment is conducted using BenXpress. Henry Ford College will advise you of the specific period of time in which you must make your initial benefit elections.

You may login to BenXpress anytime during the year to view your enrollment information and benefit plan documents, change your beneficiaries and more!

MAKING MID-YEAR CHANGES

We sponsor a program that allows you to pay for certain benefits using pre-tax dollars. With this program, contributions are deducted from your paycheck before federal, state, and Social Security taxes are withheld. As a result, you reduce your taxable income and take home more money. How much you save in taxes will vary depending on where you live and on your own personal tax situation.

These programs are regulated by the Internal Revenue Service (IRS). The IRS requires you to make your pre-tax elections before the start of the plan year (January 1 – December 31). The IRS permits you to change your pre-tax contribution amount mid-year only if you have a change in status, which includes the following:

- Birth, placement for adoption, or adoption of a child, or being subject to a Qualified Medical Child Support Order which orders you to provide medical coverage for a child
- Marriage, legal separation, annulment, or divorce
- Death of a dependent
- A change in your home address if it causes you to lose eligibility for coverage (this can happen when someone enrolls with an HMO, and then moves out of the HMO’s service area)
- A change in employment status if it affects eligibility under the plan (i.e. full-time to part-time)
- A change in election that is on account of, and corresponds with, a change made under another employer plan
- A dependent satisfying, or ceasing to satisfy, eligibility requirements under the health care plan

The change you make must be consistent with the change in status. For example, if you get married, you may add your new spouse to your coverage. If your spouse’s employment terminates and she/he loses employer-sponsored coverage, you may elect coverage for yourself and your spouse under our program. However, the change must be requested within 30 days of the change in status. If you do not notify the Office of Human Resources within 30 days, you must wait until the next annual enrollment period to make a change.

These rules relate to the program allowing you to pay for certain benefits using pre-tax dollars. Please review the medical booklet and other vendor documents for information about when those programs allow you to add or drop coverage, add or drop dependents, and make other changes to your benefit coverage, as the rules for those programs may differ from the pre-tax program.
ELIGIBILITY

You are eligible to participate in the benefit programs if you meet the criteria defined in the DSOEA union contract.

Your eligible dependents include:

- Your spouse through legal marriage
- Dependent children until the end of the month in which they reach age 26. They may remain covered to any age if they are totally and permanently disabled by either a physical or mental condition subject to certain criteria.
- Eligible children include:
  - Natural Children
  - Step-Children
  - Foster Children
  - Children for whom you are the Legal Guardian
  - Adopted Children
  - Children for whom you are required to provide coverage pursuant to a Court Order, including those subject to a Qualified Medical Child Support Order

DEPENDENT DOCUMENTATION

When you first enroll in or if you change coverage mid-year due to a qualified change in family status event, you are required to provide documentation substantiating the eligibility of any dependents within 30 days from the enrollment or change. Please refer to the list below for a list of acceptable forms of documentation. Copies should be submitted, not originals.

Approved dependent documentation includes:

- **Children under age 26**: Birth Certificate, Adoption Papers, Guardianship Document or Court Order.
- **Children over age 26 (disabled)**: Contact the Office of Human Resources for required documentation.
- **Spouse**: Marriage Certificate and first page of IRS Income Tax Filing.

Also, if you or your dependents are enrolled in Medicare, please provide a copy of your Medicare card.
FLEXIBLE SPENDING ACCOUNT (FSA) PROGRAM

Want to stretch your income, reduce costs and pay less in taxes? How? By enrolling in the Flexible Spending Account (FSA) Program administered by Wex (Discovery Benefits). You may choose to participate in the Health Care Flexible Spending Account or the Dependent Care Flexible Spending Account, or both depending upon your individual needs.

HEALTH CARE FSA

This account allows you to set aside pre-tax money from each paycheck to pay for eligible out-of-pocket health care expenses (not covered by your medical, dental or vision insurance) that you and your dependents incur throughout the plan year. You may participate in the Health Care FSA even if you do not participate in our medical, dental and/or vision programs.

Eligible health care expenses may include:

- Office visit and prescription drug copayments
- Deductibles
- Coinsurance
- Expenses not covered through your medical plan
- Out-of-pocket dental, vision or hearing related expenses

Not a bad deal at all. By taking advantage of this benefit, you can stretch the money available for health care expenses and reduce your federal income and social security taxes — and depending on where you live, your state and local income taxes as well. The maximum annual election for the Health Care FSA is $2,850.

Any balance of up to $570 in the Health Care FSA will be carried over into the next year for eligible expenses. Any funds in excess of $570 will be forfeited.

DEPENDENT CARE FSA

To decide whether a Dependent Care FSA is right for you, determine if you will incur eligible expenses. Generally, day care, nursery school, after-school care, elder care and companion service costs that allow you (and your spouse, if applicable) to work or attend school full-time are eligible expenses.

Your dependent care expenses must be for qualified individuals, including:

- Your dependent child under the age of 13 who lives with you for more than half the year
- Your spouse or other tax dependent who is physically or mentally incapable of self-care and lives with you for more than half the year

By contributing to a Dependent Care FSA through payroll deduction, you are able to pay for these eligible dependent care expenses with pre-tax dollars. The maximum annual election for the Dependent Care FSA is $5,000.

Henry Ford College will deduct the after-tax premiums for the Consumerism Card and submit the payment to New Benefits on your behalf. If you elect to enroll in the Consumerism Card, reference the exciting benefits in the membership booklet that will be mailed to your home, call the number on the back of your ID card (1-800-800-7616) or log on to https://MyBenefitsWork.com.

This card provides you access to these benefits:

1) Doctors by phone/video

How does it work?
You wake up one morning with sudden cold-like symptoms: stuffy nose, cough, congestion. You have trouble getting an appointment with your existing doctor and you don’t want to miss time at work by sitting in an urgent care or ER waiting room.

Simply log in to your account or call Teladoc to request a phone or online video consult with a U.S. board-certified doctor or pediatrician. If a prescription is necessary, it’s sent to the pharmacy of your choice.

Highlights:
- 24/7/365 access to a doctor online or by phone
- Fast treatment – Teladoc doctors respond within 24 minutes, on average
- Save money by avoiding expensive urgent care or ER visits - $0 consultation fee!
- Teladoc treats conditions like:
  - Sinus problems
  - Allergies
  - Urinary tract infections
  - Poison Ivy
  - Pink eye
  - Cold and flu

2) Access to discounted prescription, dental, vision and hearing aid services

How does it work?
Do you have a prescription not covered by your insurance? Have you reached your dental or vision plan maximum? Do you need cosmetic dentistry not covered by your dental plan? Present your Consumerism Card to the provider to see if you might be eligible for valuable discount savings!

Highlights:
- Keep in mind that your membership is NOT insurance – it is a simple and easy to use discount membership
- 10% to 85% off most medications at a participating pharmacy
- 15% to 50% savings per visit, in most instances, on services such as cleanings, x-rays, fillings, root canals, and crowns
- 10% to 60% off glasses, contacts, laser surgery, exams and even designer eyewear
BASIC LIFE & AD&D

Henry Ford Colleges provides you with basic life and accidental death and dismemberment insurance at no cost to you. A benefit equal to one (1) times earnings will be paid to your beneficiary in the event of your death. If your death is deemed accidental, an accidental death and dismemberment (AD&D) benefit, equal to the amount of your life insurance, is paid to your beneficiary. In addition, a portion of the AD&D benefit will be paid to you if you suffer a loss under the dismemberment portion of the policy (such as the loss of a limb or loss of eyesight). Age reductions, benefit limitations and exclusions apply. Please see the Reliance Standard coverage booklet for more details.

OPTIONAL LIFE

You may purchase additional Life coverage for yourself. The cost of this coverage is payroll deducted in after-tax dollars. Election amounts above the Guaranteed Issue amounts will require evidence of insurability (proof of good health). This means you’ll have to answer a few questions about your health and lifestyle and, in some cases, you may be asked to have a physical exam. Amounts of coverage that are subject to the evidence of insurability rules are not effective until approved by Reliance Standard.
