Article IX
INTELLECTUAL PROPERTY

A. A course offered by the College and the materials developed to meet the requirements for College approval of a course (course master, course description, goals, objectives, syllabus) are considered the property of the College.

It is understood that an Employee’s lesson plans and materials generated in support of those lesson plans (such as, but not limited to, an Employee’s notes, handouts, audio-visual and
computerized presentations, and tests) are the property of the Employee. Employees are encouraged to share such materials in a collegial fashion but are not obligated to do so.

If there is substantive assistance from the College, or, if the Employee is compensated for developing said course materials, beyond the distance education instructional training or normal compensation for teaching an online course, the materials shall become the property of the College unless the Employee and the College otherwise mutually agree in writing prior to development of said course materials.

It is understood that any materials produced in coursework undertaken by an Employee, works of a scholarly nature produced by an Employee, and materials generated by an Employee in support of the Employee’s lesson plans are the property of the Employee, regardless of the degree of support provided by the College.

Article X
RECRUITMENT

Henry Ford College is a higher educational institution dedicated to teaching and learning of the highest quality. In order to accomplish this goal, the College seeks to employ part-time adjunct teaching faculty who possess a variety of skills, talent, and expertise which best serves our students. In the assessment of part-time adjunct faculty official teaching credentials, the College will consider those attributes and qualifications which serve our students best, in accordance with the Higher Learning Commission’s (HLC) academic hiring requirements.
A. All persons considered qualified and available for part-time adjunct teaching faculty assignments shall have their official credentials on file in the Office of Human Resources prior to the start of the semester in which the Employee is assigned to teach. Failure to provide copies of required official credentials shall result in disqualification from further assignment until such time as the proper documentation is received. Further assignment shall not occur until the semester after such documentation is received.

B. The College and the Union will notify Employees who do not have an official transcript on file with the Office of Human Resources. Employees who do not have an official transcript on file with Office of Human Resources will be compensated at the “less than masters” lane of the salary schedule until the payday after the official transcript is received.

**Article XI**

**POSTING**

If an Employee is interested in part-time teaching in another division/department, he or she must complete an on-line application in the applicant tracking system.

**Article XII**

**ADJUNCT STATUS**

A. Employees shall be employed by the College when the need for such service exists. When such a need exists, the course(s) or function(s) will be assigned by the appropriate administrator as provided herein. Qualifications for persons so employed shall meet minimum competencies, as established by the College, for teaching the course(s) or performing the function for which the need exists.

B. **Probationary Period**

1. The responsible Associate Dean/Director or administrator shall determine whether an applicant/Employee is qualified for the position, discipline and specific course available.

2. An Employee’s status shall be probationary until the employee has completed a minimum of forty-eight (48) weekly contact hours.

3. If the Employee has a non-teaching assignment or is paid on a clock hour basis, the probationary period will continue for a period of eight (8) working semesters or three (3) years, whichever is longer, and a minimum of 800 hours have been completed.
4. For purposes of this provision there shall be three (3) semesters to the academic year: Fall, Winter, and Summer semester.

5. After the probationary period has ended, an Employee shall be referred to as a Senior Adjunct (SA).

6. The forty-eight (48) weekly contact hours of probation must be served within the same Division of the College. To qualify as a SA in two (2) different Divisions, the Employee must complete the requirements listed in B.2. and B.3. above in each Division.

C. Seniority

Preference for employment shall be given to Employees based upon the following conditions:

1. The Office of Human Resources will maintain a posted list that ranks Senior Adjuncts and Probationary Adjuncts according to total service points. Each list will include all qualified personnel by instructional discipline or job classification. The lists will be updated each semester and session and will be made available upon request of a faculty member.

2. Teaching Employees will be given one seniority service point for each “weekly contact hour” they have taught since (and including) the Spring/Summer, 2003 semester. A “weekly contact hour” is roughly equivalent to a credit hour, but there are courses that involve more weekly contact hours than credit hours. For Employment prior to the Spring/Summer, 2003 semester, and presuming no break in seniority, the Employee will be given ten (10) seniority service points credit for each semester in which he or she taught at least one three-credit hour course. The actual date of hire on record will be adjusted to January 1, May 1 and August 1 of the year of hire to reflect the start of the appropriate semester that employment began. The lists for Employees in non-teaching positions will be constructed in a similar manner. Advisors, Counselors, Librarians, Job Placement Officers and other non-teaching Employees will be given credit for one seniority service for each 33 hours worked since the Spring/Summer, 2003 semester and ten (10) points per semester prior to that time.

3. In the event an Employee teaches in more than one (1) discipline, points awarded in one (1) discipline shall not be used for placement on the seniority list in any other discipline.

4. An Adjunct teaching at the College who has earned seniority points in more than one discipline shall retain their seniority points in any discipline in which they remain qualified to teach by the Higher Learning Commission standards.

5. For purposes of establishing placement on a list, represented Librarians, Counselors, Advisors, Clinical Lab Professionals-Nursing and other Employees not teaching courses,
every 33 hours of employment at the College shall count as one (1) service point. In the event that a qualified retired full-time Employee returns to the College as an Adjunct, he or she shall have seniority calculated for all qualified employment prior to retirement using the same formula as any other AFO member and shall be subject to all other stipulations, restrictions, rights and privileges in this Agreement.

6. For purposes of this section, it is understood that the Clinical Lab Professional-Nursing is deemed to be a separate discipline.

7. An employee of the College who resigns from a full-time tenured faculty position and returns to teach as an Adjunct within three (3) years from the date they last taught will be established as a Senior Adjunct and credited with thirty (30) seniority points for each full academic year taught at the College, prorated for any partial academic years.

D. An Employee who resigns or is terminated from employment will be removed from all seniority lists. An Employee who has not applied for work, has declined work, and/or has not been offered any work, shall remain on the appropriate list for three (3) years from the date that he or she last earned service points. An AFO retiree who returns to the College shall retain his or her place on the appropriate list(s).

Article XIII
TEMPORARY, PART-TIME AND TEMPORARY, FULL-TIME

A. Employees who become temporary, part-time or temporary, full-time members of AFT Local 1650 shall lose no seniority. All courses taught while a temporary member of Local 1650 shall be counted for seniority points, as described in Article XIII., Adjunct Teaching Status, and for step advance, as described in Article XXXII.A., Salary. Similarly, an AFO unit member who is appointed to a represented interim administrative position shall accumulate AFO seniority for the hours worked in that position and shall have the right to be assigned classes or hours in the corresponding semester(s) after returning to the AFO bargaining unit.

B. In filling temporary part-time positions, preference will be given to members of the AFO bargaining unit currently on the seniority list based on qualifications, seniority, performance of teaching responsibilities as listed in Article VII, and availability at the required times.

C. In filling temporary, full-time positions, the College will notify the AFO and all qualified Senior Adjuncts of temporary, full-time openings and the period of time that the Senior Adjuncts
must express their interest for consideration in writing to the appropriate-Associate Dean. Consideration will be given to current Senior Adjuncts based on qualifications, seniority, performance of teaching responsibilities as listed in Article VII, and availability. While the Associate Dean retains discretion in hiring a temporary full-time Employee, the Associate Dean must provide a written explanation to the Office of Human Resources and the AFO if the decision is to hire an external candidate. If the Union is not provided with the aforementioned written explanation within forty-eight (48) hours of the decision, the hiring decision is grievable.

D. All semesters worked as a temporary, part-time or temporary, full-time employee shall count toward elimination of the probationary requirement as described in Article XIII.B., Adjunct Teaching Status.

Article XIV
FULL-TIME VACANCIES

A. Full-time faculty vacancies will be announced pursuant to College policy by the Office of Human Resources.

B. Application for another position, whether within the College or elsewhere, is recognized as a professional right and shall not adversely affect an applicant’s status in their present position.

C. When full-time positions become available, Senior Adjuncts who are qualified and submit a complete application package as described in the job posting will be interviewed in at least an equal number to external candidates interviewed provided that there are sufficient numbers of qualified Senior Adjuncts who apply. The College retains the discretion to make the hire decision and that decision is not subject to the grievance procedure.

D. Senior Adjuncts who are interviewed for full-time positions will be notified in writing concerning the disposition of their application when a hire decision is made.

E. A Senior Adjunct who was interviewed by a Search Committee and not selected for a full-time position may request feedback from Human Resources regarding reasons for their non-selection. If the non-selected Senior Adjunct was recommended by the Search Committee as a candidate for further consideration by Administration following the initial interview process, their request will be forwarded to the appropriate Vice President, or their designee, for feedback regarding reasons for their non-selection.
Article XV
CLASS ASSIGNMENT

A. Assignment of Classes

1. The schedule of class offerings is determined by the Associate Dean for each division for the Fall, Winter, and Summer semesters. Each school or department, with mutual agreement of the Union President or designee, may develop and implement procedures for selection and assignment of available class sections within their respective school or department. In the absence of such mutually agreed procedures, the selection and assignment of class sections shall be governed by the provisions below.

a. Within one (1) week after all full-time schedules, including extra-contractual assignments, have been confirmed for a given semester, adjunct faculty members, including senior adjuncts returning from an approved leave of absence, will be notified about open/pending/wait-listed sections that remain.

b. The Schools will establish a procedure to communicate class sections electronically.

c. Each adjunct faculty member shall have the right to select from open/pending sections on the basis of the seniority list provided by Human Resources. Adjuncts with the most seniority points will have first choice in choosing open sections totaling no more than the contact hour limits of Adjunct Faculty Organization bargaining unit recognition. During this selection process, Adjuncts may also select pending sections without contact hour limitations. The selection process shall continue down the seniority list until all the open/pending sections have been exhausted. In the event that more than one adjunct faculty member requests the same section, the adjunct with the highest seniority who is qualified to teach the course shall be assigned the section. When pending courses open, they will be assigned to the most senior available adjunct who selected the course, provided they are qualified to teach the course and will not exceed the contact hour limits set forth above.

d. Classes later added to the schedule will be offered and assigned consistent with the process above.

e. An adjunct faculty member who otherwise meets the necessary credentials specified by College policy is “qualified” to teach a course if he or she has satisfactorily taught the same course previously for at least two semesters at the College or if the Associate Dean determines he or she is qualified.
f. Final clinical assignments are determined by the placement site.

g. Seniority points are determined by the Office of Human Resources.

B. Reassignment or Cancellation of Classes

1. Class Reassignment: Schedule changes should be made as early as possible, preferably one (1) week prior to the beginning of the semester (defined as the first day of class).

2. If a Senior Adjunct’s open class is cancelled or reassigned to a full-time faculty or Administrator more than three (3) days before the semester begins, the Senior Adjunct has the right to bump a Probationary Adjunct from a class for which they are qualified to teach in accordance with Section A.1.e above, if the Senior Adjunct notifies the Associate Dean in writing (including email) within twenty-four (24) hours of notification of the cancellation.

3. If cancellation or reassignment to a full-time faculty or Administrator occurs less than three (3) days before the beginning of the semester, no such bumping rights exist, however, the College retains the discretion to allow bumping under this procedure.

4. Cancellation Procedure

Upon cancellation or reassignment of an open class as defined above, the Associate Dean will notify the Senior Adjunct, Human Resources and the Union of the cancellation and that the Senior Adjunct has the right to bump as set forth above. The Senior Adjunct must then:

a. Consult the AFO website for the current seniority list and identify probationary adjuncts in the appropriate discipline,

b. Consult Self Service and review the courses they are qualified to teach which are currently assigned to a probationary adjunct, and

c. Notify the Associate Dean in writing (including email) before the deadline of twenty-four (24) hours after notification of the cancellation.

5. In the event of a new full-time salary hire, or an administrator returning to the Local 1650 bargaining unit, reasonable effort will be made to ensure that displaced Senior Adjuncts will be made whole, even if it requires suspension of the normal assignment rules specified in this Article.

6. If an Employee has a scheduled class cancelled, the Employee will retain his or her place in the assignment sequence for the next semester he or she is scheduled.
7. For purposes of this article, it is understood that Clinical Lab Professional-Nursing assignments are not deemed to be classes.

ARTICLE XVI
ADJUNCT PERFORMANCE EVALUATION AND NEW HIRE MENTOR PROGRAMS

A. The College Administration may observe and evaluate the performance of Employees. Prior to attaining Senior Adjunct status under Article XII, probationary Employees will be observed and evaluated at least two times, preferably at least once during their first twenty-four (24) weekly contact hours of teaching and again at least once during their second twenty-four (24) weekly contact hours of teaching to afford Employees with timely feedback and opportunity to improve. In addition to classroom observation, Employees will be evaluated with respect to their performance of Adjunct Responsibilities set forth in Article VII. An Employee’s movement to Senior Adjunct status is at the sole discretion of Administration and is not subject to the grievance procedure.

B. The College may place an Employee who is not satisfactorily performing on a Performance Improvement/Action Plan (“PIP”). The PIP shall identify the Employee’s performance deficiencies and establish specific performance objectives, against which the Employee’s performance shall be regularly evaluated. The PIP shall be of duration sufficient for the Employee to fully demonstrate sustained successful performance, up to two full academic terms of teaching/work. However, the College may extend a PIP where the Employee’s course or work load has not provided sufficient opportunity for observation and assessment and/or the College assesses that the Employee has made substantial progress but is not yet fully meeting performance objectives. An Employee who fails to successfully complete their PIP, or who at anytime is assessed as failing to make reasonable progress under their PIP, shall be subject to disciplinary action up to and including termination of employment in accordance with Article XXVII.

While an Employee is working pursuant to a PIP, their selection and assignment of classes under Article XV shall be subject to approval by the College, with the intention to afford the Employee a reasonable opportunity to demonstrate performance improvement while maintaining standards of instructional quality and student success; such Employee will not be eligible to select classes based on seniority under the provisions of Article XV until they have successfully completed their PIP.
C. A Senior Adjunct may be assigned as a New Hire Mentor to a probationary Employee. To qualify to serve as a New Hire Mentor, an Employee must successfully complete the appropriate four (4) hour training program. Appointment as a New Hire Mentor is at the College’s discretion, and not subject to the grievance procedure. An Employee who completes the training program may qualify for payment for professional development as provided in Article XVII.

D. An appointment as a New Hire Mentor will last not less than two (2) semesters and may be extended at the College’s discretion. If a Senior Adjunct is assigned as a mentor in the New Hire Mentor Program, they shall be compensated from Professional Development funds as set forth in Article XVII.

F. The College will approve professional development spending beyond the established maximum Professional Development Funding level in the event the College imposes requirements (e.g., mandated training on a new LMS) that would otherwise exhaust the Professional Development Fund.

**Article XVIII**

**LEAVE OF ABSENCE**

A Senior Adjunct may take an unpaid Leave of Absence for up to one (1) year for any reason with a maximum of one (1) leave in every five (5) year period. A letter notifying the Director of Human Resources of the Employee’s intent to take a Leave of Absence must be provided at least one (1) semester in advance, unless circumstances warrant otherwise. During the Leave of Absence, the Employee’s status will be frozen. Upon returning from a Leave of Absence, the Employee shall be offered employment pursuant to the relevant articles of this contract including Article XII., Adjunct Teaching Status and Article XV., Assignments, as well as the provisions of the Uniformed Services Employment and Reemployment Rights Act.

An Employee shall be granted one (1) paid personal day, defined as one (1) calendar day, each semester that he or she teaches. B. Sick Leave

A Senior Adjunct who does not use a personal day during the semester may request to roll one (1) unused personal day into their personal Sick Leave bank. Each unused personal day rolled into an employee’s Sick Leave bank will be recorded as one (1) hour of Sick Leave, and each recorded hour of Sick Leave shall equate to one (1) calendar day of Sick Leave, or “Sick Leave Day.” Employees may use up to two (2) Sick Leave Days from their Sick Leave bank for absences due to a qualifying illness, in addition to their personal day, per semester. Unused Sick Leave Days will be allowed to accumulate.

A qualifying illness is an employee’s personal illness or injury substantiated by documentation from a medical provider establishing that the employee is unable to work.

The College shall establish a process for requests to roll unused personal days to Sick Leave, and eligible employees must submit their requests no later than thirty (30) calendar days after the date on which final grades are due for the semester in which the personal day was not used.

C. Bereavement

**Article XXVI**

**ATTENDANCE**

A. At no time will an Employee cancel a class session. The cancellation of class sessions rests only with the appropriate Associate Dean/Director. Employees must contact the appropriate administrator when an emergency, illness, or personal day may necessitate the cancellation of a class session. When a class is cancelled without prior contact with the appropriate Associate Dean/Director, pay for the canceled session will be deducted and disciplinary action may occur.

B. Employees cannot arrange for a substitute instructor for their classes. Associate Deans/Directors have sole authority in arranging any substitutes.

C. Except for Employee absence due to the use of a leave day, the Employee who is absent shall have his or her compensation reduced by an amount equal to the total hours absent.

D. Personal vacations or other leaves which interfere with scheduled course instructions may not be taken during the academic semester.

E. Unreported absences will lead to disciplinary action up to and including termination of employment.

**Article XXVII**

**DISCIPLINE AND TERMINATION**

A. The Employer shall not discipline or terminate any non-probationary Employee without just cause.

B. Discipline can include, but is not limited to, the following:
• Warning
• Verbal reprimand
• Written reprimand
• Suspension without pay
• Termination of employment or non-renewal of employment

The level of discipline will be determined by the College’s assessment of the severity of the conduct or violation which has occurred and attendant circumstances. Typically, a Performance Improvement Plan is developed and implemented in the “Written Reprimand” stage. It is understood, however, that nothing is intended to prevent academic administration from bypassing the progression of disciplinary steps for more serious offenses. The Union has the right to grieve all levels of discipline for non-probationary Employees.

C. “Just Cause” includes, but is not limited to, any violation of College policy, any violation of law, misconduct or unsatisfactory performance. This list is illustrative and not exhaustive and does not limit the College’s right to discipline or discharge for other acts or omissions which also constitute just cause.

D. When hearings, conferences or meetings are held with an Employee concerning a matter which may result in discipline or discharge, the Employee shall have the right to have a Union representative present, provided the Employee requests such representation, and the College shall have the right to have a representative of its choosing present.

E. A probationary Employee may be disciplined or discharged without cause at the College’s discretion and without recourse to the grievance process.

Article XXVIII
NOTIFICATION OF NON-ASSIGNMENT

Senior employees that are not offered employment in a semester shall be notified of that decision by letter. The letter shall be sent by email to the employee’s Henry Ford College email account. The letter shall specify the reason(s) for non-assignment. The letter shall be sent as soon as practicable.
Article XXIX
SPECIAL CONFERENCES

A. Special conferences on issues of mutual interest to Employees and the Employer may be arranged between the Chief Grievance Officer and the Employer designee. Such conferences shall not be construed as a replacement for, or circumvention of, the grievance procedure.

B. Arrangement for such conferences shall be made in advance by the submission of an agenda that reflects matters to be discussed. The meeting shall be scheduled by mutual agreement. Such conferences shall be between representatives of the College and a maximum of five representatives of the Union. More may attend by mutual agreement of the parties.

Article XXX
GRIEVANCE PROCEDURE AND ARBITRATION

A. Definition of Grievance

The term "grievance" shall be interpreted to mean a formal written grievance complaint form submitted by an Employee or by the Union in its own behalf that:

1. There has been a violation, misinterpretation or misapplication of any provision of this Agreement, or

2. There has been a violation, misinterpretation or misapplication of written policies or procedures affecting the conditions of employment of Employees in effect from time to time. Whenever the term "Employee" is used, it may be interpreted as a plural.

B. Statement of Basic Principles

1. The Union, on behalf of Employees, shall have the right to present grievances in accordance with these procedures.

2. All discussions shall be kept confidential, to the extent possible, during procedural stages of the resolution of a grievance.

3. An Employee who participates in these grievance procedures shall not be subject to discipline or reprisal because of such participation.

4. Administrators have the responsibility to consider and take action promptly, within authority delegated to them, on grievances presented to them.
5. The failure of an administrator at any level to render a decision to the Employee and Union within the proper time limits permits the Employee to proceed to the next stage, within the limits provided.

6. The failure of an Employee or the Union to appeal a decision to the next higher stage within the proper time limits shall constitute a withdrawal and shall bar further action on that Employee's grievance or on a grievance by the Union relating to that issue. However, if the Union formally withdraws a grievance it has filed, it is not precluded from filing a subsequent grievance arising from a separate alleged violation relating to that issue.

7. The Employee or group of Employees has a right to be present and to be represented by the Union at the Employee's option, if the grievance proceeds beyond the preliminary stage. If the Employee(s) elects to be represented, the representative shall not be a representative of any Employee organization other than the Union.

8. When the grievance originates at an administrative level higher than Coordinator, Division Director, or Associate Dean, the Union shall start the grievance at the appropriate written stage of the grievance procedure as designated herein.

9. Hearings and conferences held under this procedure shall be conducted at a time and place which shall afford a fair and reasonable opportunity for all persons, including witnesses, entitled to be present to attend. A hearing or conference held during regular business hours, 9:00 a.m. – 5:00 p.m., Monday – Friday, is deemed to afford a fair and reasonable opportunity to be present and attend. When such hearings and conferences are conducted during hours in which an Employee whose presence is required is scheduled to teach, that Employee shall be excused, with pay, for that purpose.

C. Informal Preliminary Stage

In the interest of maintaining harmonious relations, the Employee is encouraged to have an oral conference with the Associate Dean of the division in which the Employee is assigned, upon discovery of the alleged violation and prior to initiating the formal written grievance process. If the issue is not resolved at the preliminary stage, the Employee can initiate a formal grievance pursuant to the procedure below.

D. Formal Grievances

1. First Stage
   a. The formal grievance process is initiated by submitting a written grievance on a standard form that is mutually developed by the Union and the College. The written grievance must be submitted to the Associate Dean of the division in which the
Employee is assigned within twenty-one (21) calendar days of the act or omission on which the grievance is based.

b. The Associate Dean shall provide his or her decision (along with a copy of the grievance) to the Employee and the Union in writing, within fourteen (14) calendar days of the receipt of the grievance.

2. Second Stage

a. If the Employee or the Union is dissatisfied with the decision at the First Stage, the Employee or the Union may refer the matter to the Vice President of the division in which the Employee is assigned, by submitting a copy of the grievance and the First Stage decision, along with a request for Second Stage review, within fourteen (14) calendar days of its issue.

b. The Vice President or designee shall provide his or her decision (along with a copy of the grievance) to the Employee and the Union in writing, within twenty-one (21) calendar days of the request for Second Stage review by the Employee.

3. Third Stage

a. If the Employee or the Union is dissatisfied with the decision at the Second Stage, the Employee or the Union may refer the matter directly to the President, or designee, by submitting a copy of the grievance and the First and Second Stage decisions, along with a request for Third Stage review, within fourteen (14) calendar days of the issue of the Second Stage decision.

b. The President or designee shall schedule a meeting with the Employee or Union within twenty-one (21) calendar days of the request for Third Stage review by the Employee. The Employee or the Union shall have the right to a conference with the President or designee within this time limit.

c. The President or designee shall provide his or her decision to the Employee and the Union in writing, within fourteen (14) calendar days following the conference discussed in 3.b. above.

4. Final Stage, Arbitration

a. Upon written request by the Union, an arbitrator shall hear a grievance which has been processed in accordance with the provision of this Article, but not satisfactorily resolved at the Third Stage. The arbitrator will be selected under the rules of the American Arbitration Association (AAA).
b. The Union must notify the College, and AAA, in writing of its intent to proceed to arbitration within twenty-one (21) calendar days of the President or Designee issuing the Third Stage response.

c. Any grievance falling under Article XXX (Grievance) of this Agreement (that is, any grievance which complains of a violation, misinterpretation, or misapplication of any provision of this Agreement) shall be subject to final and binding arbitration. The arbitrator shall confine the opinion to the sole question of whether or not there has been a violation, misinterpretation or misapplication of any provision of this Agreement. The arbitrator shall give no opinion with respect to any matter left by this Agreement or by law to the discretion of the Board or Administration. The arbitrator's award shall be final and binding upon its delivery to both of the parties.

d. Compensation and necessary expenses of the arbitrator shall be shared equally by the College and the Union. Each party shall make arrangements for and pay the compensation and expenses of witnesses called by that party. All other expenses, such as expenses of attorneys, other participants or observers, documents, etc., shall be borne by the party incurring them. The arbitrator shall have no right or power to add to, subtract from, modify, change or disregard any of the provisions of this Agreement, or to change existing wage rates or establish a new wage rate.

e. The arbitration clause of this grievance procedure shall not be used to resolve impasses in the negotiation of a successor collective bargaining agreement.

f. Any agreement reached through the grievance procedure must be implemented as soon as conditions and circumstances make possible. When conditions and circumstances permit, such a decision shall be implemented within thirty (30) calendar days.

Article XXXI
