Robert L. Pastor II

CEO of Rainy Lake Medical Center (RLMC)

HFC is proud to confer upon two-time alumnus Robert L. Pastor II – the CEO of Rainy Lake Medical Center (RLMC) in International Falls, MN – the 2021 Distinguished Alumni Award.

The award will be presented by Shai James-Boyd, HFC Assistant Director of Advancement and Alumni Relations.

“HFC was the core for all of my success,” said Pastor, who lives in Minnesota with his wife and two children. “I would like to thank all the great instructors and staff at HFC who helped me embark on such a fulfilling personal and professional journey – one that has brought me back full circle today.”

“I am pleased to present the 2021 Distinguished Alumni Award to Mr. Robert L. Pastor II,” said James-Boyd. “HFC is fortunate to have thousands of alumni who make notable contributions to their professions and their communities. Each year at Commencement, we recognize one of our outstanding alumni for particularly notable achievements and lasting contributions that impact the College and – most importantly – our students.”

A Detroit native, Pastor attended HFC and earned two associate degrees. He graduated summa cum laude in 1994 with an associate degree in liberal arts, and he graduated magna cum laude in 1996 with an associate degree in nursing. During his time at HFC, he was the vice president of the Student Nurses Association.

In 2001, Pastor graduated summa cum laude with his bachelor’s degree in business administration from Cleary University in Ann Arbor. In 2006, he graduated with an MBA in business management from the University of Texas Permian Basin (UTPB) in Odessa, TX. Additionally, Pastor is a Green Belt in Six Sigma. He earned his certification as a Fellow of the American College of Healthcare Executives (ACHE) – the highest certification in healthcare administration.

His message to students: “You are all future leaders with endless possibilities and opportunities ahead. You can’t fail to grab them, and we simply can’t afford not to have you in the lead. The future will be exciting. I wish you all the best of luck, and I’m confident that each and every one of you will represent HFC at the top of your capacities.”

Henry Ford College Mission

Henry Ford College transforms lives and builds better futures by providing outstanding education. As a student-centered, evidence-based college, our success is measured by the success of our students. We empower learners through the development of independent, critical, and creative thinking; and we foster diversity, inclusion, understanding, and acceptance to prepare students to succeed in a global society. We anticipate and respond to the needs of our stakeholders, exceed their expectations, and serve the public good.
